TAKING FAREWELL OF LADY MISSIONARY

Interesting Service in Clinton Church—Presentation to Miss Sybil R. Courtice.

[Special to The Advertiser.] Clinton, July 28.—A congregational farewell service was held in the Ontario Street Methodist Church in honor of Miss Sybil R. Courtice, who will leave in a few days for Japan. The missionary-elect was made the recipient of a life membership certificate in the Women's Missionary Society, a life membership pin of pure gold, and a silver sugar bowl and cream pitcher. A kindly worded address was read by Mrs. (Rev.) Cosens. With the address Miss Courtice was presented with a certificate entitling her to life membership in the Women's Missionary Society of the Methodist Church, a gold life membership pin, and a silver sugar bowl and cream pitcher. The address was signed on behalf of the church and congregation by the pastor, Rev. T. Wesley Cosens. Miss Courtice made a very suitable acknowledgement in receiving the gifts, and thanked the friends for their expressions of goodwill. She also made feeling reference to her dear call to the foreign field. Interesting addresses were also given by Miss Lucy Stevens, Mrs. Kearns, Mr. A. Hooper, Mr. David Tipplady, Rev. H. Newcombe and the pastor. A choice musical programme was also rendered by the choir.

PARKHILL.

[Special to The Advertiser.] Parkhill, July 28.—Mr. W. D. Small and family, of Detroit, came here to spend a few weeks' vacation among friends and relatives. Mrs. Don McKinnon, who has been so ill with indigestion, is slowly recovering, under the skillful treatment of Dr. Racey. Angus R. McMillan arrived home a few days ago to assist in taking off the harvest. Owing to the scarcity of school teachers the sections have to pay from \$400 to \$500, and they are even scarce at that price. Angus Currie, who has been working for J. B. McKenzie, of Arkona, has severed his connection with that gentleman.

Oh! That Awful Gas

Did you hear it? How embarrassing. These stomach noises make you wish you could sink through the floor. You imagine everyone hears them. Keep a box of CAS-CARETS in your purse or pocket and take a part of one after eating. It will relieve the stomach of gas.

CAS-CARETS is a box for a week's treatment. All druggists. Biggest seller in the world—million boxes a month.

During the terrific storm that passed over here on Sunday, Mr. Peter Gillis lost his valuable buildings and part of his crop, insured for only \$800 in the East Williams Mutual Insurance Company. Mr. James Langan also lost his valuable buildings, part of his stock and crop and implements. Mr. D. A. McIntyre, who kept a store in Nairn, has sold out to a Mr. Potter, who took over the business a few days ago. Messrs. P. McCormick and A. Morrison have the contract of taking off the hay and grain crop of Donald McLehlan, who has been very ill in Detroit, Mich., for two months past.

[Special to The Advertiser.] Lobo, July 28.—Rev. E. P. Stewart occupied his pulpit last Sunday after a two weeks' vacation. The Misses Hall, London, spent last week with Mr. and Mrs. Alex. Graham. Miss Galbraith, Detroit, is visiting at the home of Dr. and Mrs. Graham. Miss Coral Branton has recovered from a recent illness. Miss Mabel Caverhill, of London, is spending her holidays at her home. The Women's Institute was entertained at the home of Mrs. Thomas Smith on Wednesday of last week, and a very pleasant time was spent. Miss Hattie Long, London, is visiting Miss Minnie McIntyre. The pupils of Mr. Milliken made a very creditable showing at the recent examinations, twenty-one out of twenty-three candidates being successful.

REFUSED TO AMEND COMPANIES ACT

British Columbia Turns Down Request of Commercial Travellers' Assn.

Toronto, July 29.—Mr. James Sargeant, secretary of the Commercial Travellers' Association of Canada, wired Mr. E. Fielding, the treasurer, from Vancouver to the effect that he had interviewed Attorney-General Bowser at Victoria, and that he had been informed that the Government of British Columbia would not make any change in the companies act, and would enforce its provisions. This means that all incorporated companies seeking to do business in British Columbia must become either incorporated there or take out a provincial license. The act only applies to companies or their agents or travellers. Firms that are partnerships and individual traders are not brought under the provisions of the law. The license is good for all future time, and is not an annual affair. Nor is there any limitation as to the number of travellers that may be employed in British Columbia by any incorporated or licensed extra provincial corporation.

ST. THOMAS BOY DEAD HEALTH BOARD ACTS

A Report Made to the Provincial Health Department.

St. Thomas, July 28.—The local board of health at its monthly session decided that serious neglect on the part of the authorities at the Belleville Institute for the Deaf and Dumb was responsible for the death of one St. Thomas citizen. The child contracted scarlet fever from a sister, who had been sent home from the institute and was allowed to bring home dolls, books, etc., that had not been disinfected after an outbreak of the fever in the institute. The board ordered all correspondence, reports, etc., relative to the case to be filed.

Springwood Park

An Opportunity for You

Careful investors are convinced that joint ownership interests in "Springwood Park" are sure safe money makers. Where can you buy such attractive home-sites at so small a cost? Where can you invest your money with the possibility of better profits?

THE ANSWER

Walk over our park and see for yourself its natural beauty, sanitary elevation, fine shade trees and pleasant surroundings. Inspect the immense residence, with its large grounds, at \$200. Keep in mind that Springwood Park is the most convenient and most pleasantly situated residence park in London. That it is just seven minutes from Dundas and Richmond streets by the cars, which stop within 300 yards of the property—on the opposite side of High street from John McClary's residence—has no factories and no railroad yards—highest elevation—city conveniences—building restrictions—66-foot streets, and is "THE CREAM OF LONDON REAL ESTATE"—and the answer is: Springwood Park cannot be surpassed.

WHEN TO INVEST

Now is the proper time to invest in London Real Estate. Buy when prices are low and sell at a profit. Our experience: "The man who buys while others are thinking about it, resells at a profit to the men who did all the thinking."

WHAT \$200 WILL NOT DO

\$200 will not buy you a 30-foot building lot in any high-class location in London today, much less a 40, 45, 55 foot lot.
\$200 cannot earn you more than 3 to 4 per cent in the bank.
\$200 will not earn you less than 10% invested properly in real estate.
\$200 would not do much more than decorate your home—it certainly would not buy you a 7 or 22 roomed solid brick house.

WHAT IS WANTED

Make your money work for you. Large fortunes have been made out of real estate. Modern six, seven and eight roomed houses, with all conveniences, are at a premium in London today. They will rent 365 days in the year, and pay you from 10% up. We will lend you the money to build.

A CLEAR TITLE

There is just one payment to be made. You get your lot, or lots, free from encumbrance, and can commence building at once. No monthly payments to worry about. A clear-cut, straightforward proposition.

Our booklet explains everything fully. May we mail it to you? Make all subscriptions payable to the order of the London and Western Trusts Company, Limited, 382 Richmond street, London, who will act as trustees in the interests of the subscribers. The Trust Deed of Agreement may be seen at our offices.

copied, and sent to the provincial board of health. A like course is, according to a letter from Mr. Charteris, M. H. O., of Chatham Township, being taken relative to two cases, one fatal, that broke out at Kent Bridge and are traceable to the same institute.

A FALSE REPORT. Ottawa, July 28.—Lord Lansborough, whose tenure of office of military secretary to Earl Grey expires in October, will rejoin his regiment then. Reports of his resignation or dissatisfaction with Canada are false.

CAPTAIN SUSPENDED FOR SINKING LAUNCH

[Special to The Advertiser.] Toronto, July 28.—Captain William Joyce, of the ferry John Henlon, has been suspended for three months for running down the launch Cecelia in the bay June 17, in which accident two women were drowned. Such is the finding of Captain Demers, who was appointed by the Government to conduct the investigation. The captain must also pass a satisfactory examination as to sight and hearing before he can resume work.

ANOTHER DERAILMENT

Engine and Four Cars Ran Off the Track Near Chatham. Chatham, July 29.—A serious wreck occurred on the Grand Trunk tracks in this city yesterday morning about 6 o'clock. A Wabash freight was going west when just west of Pere Marquette Junction it was derailed. The train was against them and above what is lost by fire and other natural causes.

NO BOY-SNOBS.

London, July 29.—Baden-Powell's troop of Boy Scouts accompanying him to Canada tomorrow includes all classes from the guttersnipe to the Eton swell. There is no snobbishness among boys.

The United States cuts nearly some 20,000,000,000 cubic feet of lumber over and above what is lost by fire and other natural causes.
