

STEAMER BURNED; PASSENGERS SAFE

Nearly 800 On Maryland Had
Narrow Escape in Chesapeake Bay.

[Canadian Press.]
Baltimore, Jan. 22.—The Chesapeake Bay steamer Maryland, bound to Baltimore from Pocomoke River points, caught fire off the Magothy River early today and burned to the water's edge, after having been beached. So far as is known no lives were lost, and no one was seriously injured, although some of the passengers had narrow escapes, many of them losing all their personal effects.

When it was seen that the fire was beyond control, the steamer was headed for the beach, about a mile away, and as she stranded, a quarter of a mile off shore, the passengers were handed into the lifeboats. The Maryland was a passenger steamer, carrying 769 passengers, many of them women, and a crew of 24. The Maryland was owned by the Baltimore, Chesapeake and Atlantic Railway, and valued at \$120,000.

GERMANS STOPPED BY ALSACE FLOOD

Headquarters Have To Be Moved, While French Shell Positions.

[Canadian Press.]
Geneva, Jan. 22.—Floods in the region of Alsace and the Sundgau, or southern country of Alsace generally, have completely stopped German military operations, says a dispatch to the newspaper Suisse. The rivers Ill and Larg have overflowed their banks and the narrow valleys are entirely submerged. At Altkirch the German headquarters, installed in a business building, were obliged to move to private houses on the heights. The French troops near Thann, the dispatch says, are in good position, well out of reach of the floods. They shelled the Germans vigorously all day Thursday.

HELPING THE BELGIANS

Churches of London Not Neglecting Foreigners Within Their Midst.

It cannot be said any longer that the churches of London are neglecting the foreigners. The work begun in Hill Street Methodist Church two years ago is continued this winter with much success. Notwithstanding the war, the scarcity of work in the city, which has caused some Christians to go back to the old land and others to other cities in search of work, Rev. A. McKibbin, pastor of Hill Street, has organized a class of Russians this winter, and now it has been found that there are two classes. Mrs. George Kerr, an instructor of the Junior class, has been the confidence and affection of every foreigner who knows her. For some time it has been felt that something should be done for the Russian women, but on account of a scarcity of room in Hill Street Church, where the ladies get the class together, for over 200 of a Sunday school, Mr. McKibbin asked the ladies of Ottawa to help. They have agreed to open a class for foreign women. Mrs. McKibbin, who is the ladies to get the class together, and there is now good work in progress. A class of ten or twelve women in Ottawa Avenue Church, a remarkable feature of the work in Hill Street is that though it is not backed by the missionary society of the church, donations have been sent in to the mission sufficient to pay all current expenses of the work.

FINANCIAL AND COMMERCIAL

THE LOCAL MARKET

The top price for hay still remained at \$16 per ton today, although there was a large number of loads in. There have been nearly a hundred loads of hay in during the last three days. The prevailing price for hay was \$15.50 per ton to \$16.00. It sold for \$1.75 per hundredweight.

GRAND TIME AT COURSEY'S DANCE

Couldn't Tell the Ladies From Gentlemen, Says Inspired Correspondent.

The great masquerade ball, held at Coursey's well-known dance hall, in London East, on Tuesday evening, was a splendid success. To quote from an inspired correspondent, who apprised us of the event: "Ladies dressed in black, some in white and yellow and green, and some in the most beautiful of the grand march. You could hardly tell the ladies from the gentlemen. All had a grand time. About 100 went home happy."
