

his presence was even more necessary in the present case, when his life and liberty were at stake. Mr. McCarthy was speaking when the court rose at 4 o'clock.

#### Board of School Trustees.

meeting of the Victoria school board had last evening. Present—Trustee Higgins, the mayor; Hains, Hayard and Walker.

#### COMMUNICATIONS.

communication from the superintendent of education, announcing that Rock schoolhouse is ready for occupation ready.

communication from Mr. S. McClure, his arrival from Victoria, drawing the school. Elleray sent a communication from Mr. Muir, principal of the high school, complaining of the rotting of floors and roofs, on the school grounds. He has written to the superintendent for special committee with power to act.

communication from Mr. Halliday and Armstrong, stating that pupils were satisfied during school hours.

The reports of the teachers for August showed an average attendance of 45.62.

auditory account was rendered paid.

INVESTIGATIONS.

The chairman stated that the debts at Central school were in a satisfactory condition.

The secretary said that the auditor concluded him that the children who admitted to a loss of \$1000 were detected to be the result of carelessness.

Mines and Miners.

The arrangement of the closets was defective and could be changed. Yesterday he found a closed clean.

He referred to special committee with trust.

Frances Heslerman referred to sundries at Johnson street school.

Mines and Miners.

He admitted that most goods and materials are held by the school.

The secretary read correspondence that passed between him and the superintendent of education relative to the admission and closing of the school on August 1st.

A heated debate ensued, in which all members participated some taking ground that the educational department had not sustained the board in their dealing with teachers, and others the reverse.

It was resolved that teachers be asked supply of coal and wood.

For additional applications for situations in the schools were received.

IN CONCLUSION.

The board voted committee of the works.

In the matter of a complaint against a teacher the board decided that the pupil to blame, and blamed the principal, the board failing to carry out the law.

Mr. F. G. Smith was transferred to Rock school, Miss. McCarthy was promoted to Mrs. Foster's class, and Mr. Armstrong to the school board. The board then adjourned.
