Mr. Riley For Governor

Member for Victoria City Believed to Be Sir Henri's Successor.

His Honor Will Vacate the Gubernatorial Chair Next Month.

From Our Own Correspondent. TTAWA, Sept. 19 .- Sir Henri Joly will retire from the governorship of British Columbia next month. The report that he will be suc-eeded by Mr. Riley, M. P., is believed Hon. R. Prefontaine is to make a tour

of the maritims provinces, after which he will sail for England about October

The establishment of a permanent army medical service corps, as recommended by Lieut.-Col. Fiset, will be approved by the militia council.

The rumor current that Mr. Justice Nesbitt contemplates leaving the Supreme court bench to resume his practice at the bar cannot be confirmed, but it is believed to be true. It is said the judge desires a more active life than the bench affords. It is, however, certain, that he will take his place on the bench when the court resumes on October 3.

the will take his place on the bench when the court resumes on October 3.

Hon. Mr. Fielding has good reason to recomize from this time forth that the trade returns for the fiscal year ending June 30th, issued todty, are not very encouraging. The imports totalled \$266,834,617, in increase of \$7,622,614 over the preceding 12 months. Exports amounted to \$203,316,872, a decrease of over \$10,000,000 in domestic and foreign goods combined, and of \$7,559,493 in domestic products only. Of dutiable goods there were imported \$157,164,975, a gain of \$1.056,522, and of free goods \$109,669,442. an improvement of \$6,566,092 over the previous year. SIR CHARLES TUPPER.

Old Warhorse in Good Health-Views on British Politics.

Sir Charles Tupper, after spending some time in Italy, has regained his wonted vigor. He is now visiting friends in Nova Scotia and is expected in a few days in Paritish Columbia La days in British Columbia. In an interview in Montreal on British politics, he

"A general election cannot be far distant now. The period has been reached when the life of the British parliament is usually brought to a close. There seems to be a general concurrence in the opinion that the Liberal party will come into power; but the idea of Mr. Chamberlain and the Conservative party is that the government formed by the Liberals will not last very long and that Mr. Chamberlain's policy will, at an early date, prevail."

and the colonies at no distant day as assured.

"I think," Sir Charles observed, "that the visit of the Canadian Manufacturers' Association to the United King Iom did much good in the way of promoting an understanding between the commercial and industrial leaders of the two countries. I was unable to accept the invitations to be present at the different centres, but I followed the proceedings very closely, and I know how beneficial the results were. The more Canada knows of the Mother Country and the Mother Country of Canada by such means, the better the results will be."

When asked with regard to Canadian politics, whether he favored the measure passed by parliament last session, providing for the annuities of former ministers and an increase in the sessional indemnities of the members, Sir Charles observed, "that the visit of the Canadian Manufacturers' Association to the United King Iom about 20 feet beam, with a speed of 12 knots.

The steamer Princess May is shortly to be taken from the Alaskan run and was adopted at today's meeting of the executive council Opposed to Relaxation of Chinese Exclusion Law.

Washington, Sept. 19—A resolution was adopted at today's meeting of the executive council Of the American Federation of Labor expressive of the senting of the workmen to thwart any effort of those interested in any change of the existing laws excluding Chinese laborers and coolies from the United States and its possessions. The report of the American Federation of Labor shows 26,000 local unions and a membership of approximately 2,000,000.

him, and he sincerely appreciated their

we may elect to adopt with regard to it, and we shall certainly adopt no active measures pending the receipt of a conclusive report upon the nature of the handwriting on the wall." The interpretation may be arrived at by the simple mental grouping of a few simple facts—the building of a great hotel beyond immediate apparent requirements; the naming of it in accordance with the title of the great steamship lines carrying the traffic which in all human probability will result from the determined measures of the political combinations which have for their object the upbuilding of the "all red" route to the Orient—and finally Victoria as a terminal and coaling station, so frequently seen "through a glass darkly," but now face to face.

Sir Thomas at the same time admitted the soundness of the principle of clearing the land for farmers by rapid process of machinery beyond the unaided means of the farmers themselves.

The extension of the island line northward is regarded as a live issue, but one apparently dependent upon greater issues beyond. In any case, the company has not in contemplation any immediate move in that direction. In a word the move in that direction. In a word the move in that direction. In a word the move in that direction, in a word the move in that direction. In a word the move in that direction, in a word the same as that pointed out by another great official of the company on a recent similar occasion, when Mr. Marpole said. "The people must have patience."

Sir Thomas said in conclusion that, like himself, the members of his party

Sir Thomas has inspected the Empress hotel buildings in course of erection, and all that the public can learn at present is that they are good in his eyes, and he is satisfied. What further developments may be in contemplation in connection with this fine pile of buildings (and there are some) it is not given to the public to know, nothing beyond, the fact that the construction will be pushed forward at the utmost speed compatable with efficiency.

Sir Thomas expressed equal satisfaction regarding the company's new property—the Esquimalt & Nanaimo railway. In reply to the enquiry as to

like himself, the members of his party were greatly pleased with their visit to the island generally and with the E. & N. in particular.
