C. S. JEKYLL, St. James' Palace. SIR CHARLES TUPPER'S OFFICIAL REPORT TO THE CANADIAN COVERNMENT

"The exhibit of Pianos was most important. That of Messrs. Mason & Risch, of Toronto, comprised rine instruments of different styles, including the 'Princess Model,' with its case of Canadian cherry, finished in clive green and gold. This beautiful instrument was selected for Her Majesty the Queen, and now fills a place of honor in Windsor Castle. All these instruments received the highest praise from competent critics.

Dr. W. C. Seles, Organist in Ordinary to Her Majesty at Hampton Court Palace, admired them in every respect, but chiefly for their great damping power, which he had met with in no other instruments. Mr. O. S. Jekyll, Organist of Her Majesty's but chiefly for their great damping power, which he had met with in no other instruments. Mr. C. S. Jekyll, Organist of Her Majesty's Chapels Royal, also paid a high tribute to the Pianos of this exhibit, classing them among the finest instruments in the world. But, tar above the testimony of even these authorities, we must place that of a Master, lately passed away, with whose name anything once associated will not be forgotten. The handsome canopy of Messrs. Mason & Risch contained an attraction which stood quite alone in the whole Exhibition, and drew to the spot all whom Music could touch and Art delight. This was a life-size portrait of the late Abbe Franz Lizst, painted by Baron Joukovsky at the Master's request, especially for presentation to Messrs. Mason & Risch, in acknowledgment of the excellence of a pianoforte sent to him at Weimar by these gentlemen."

Messrs. Mason & Risch Invite all Visitors to Toronto to Call at their Warerooms, 32 King-street Wes And Inspect their Large and Varied Stock of Pianos and Organs: They make no display at the Toronto Exhibition, but are showing their rooms the most beautiful assortment of Pianos ever gathered under one roof in Canada, some of them being fac-similes of the struments that attracted such general admiration in London, England, last year.

### Mason & Risch Piano in its Position of Acknowledged Pre-eminence
