In Reply to Some Baptists

The Editor Guide-Advocate:
Will you please give us space in your valuable paper in reply to the article of last week written by somebody and signed by nobody regarding our pastor, Mr. Ben Wilson and the Baptist church who are now known as Gospel Tabernacle. We wish to say that we have kept up this Baptist church for years and had it not been for us the church would have been closed long ago. It was we who wrote the article of two weeks ago announcing the change from Baptist to Undenominational. Had the writer or writers of the article of last week been friendly enough to inquire we would have very gladly and speedily supplied the necessary information. We wish to protect our pastor by stating that it was not he, who made the announcement of two weeks and also that it was not Mr. Wilson who changed us from Baptist to Independent. It was the people who called a special meeting by announcing same from the pulpit and with the exception of one or two, who have very rarely come to church for years that made this change, then Mr. Wilson was interviewed and unanimously voted him to remain as our pastor. Now whoever you people are that have written this article come out of your shell. It is time to take a stand

for Jesus Christ and quit your squabbling over denominationalism if you expect to see souls saved. For years now we have been keeping up this work and have paid preachers' salaries and we have yet to see a conversion or a baptism much less a missionary. However, we are pleased to say we have now seen souls saved and followed the Lord in baptism, also we now have missionaries. It is

quite evident when we do get a preacher who preaches without fear or favor of men that the Devil gets busy. We are fed up with denominationalism and are pleased with hearing the old, old story from the Word of God as Paul said "We know nothing save Jesus Christ and Him crucified."
