RIOTS IN CANADA-STARVATION .- We regret to observe in our Canadian papers, an account of a serious riot which took place at St Catherine's on the 15th uit. by the laborers on the Welland Canal. Several stores were broken into and robbed of Flour and Pork—and a schooner lying at one of the Mills, was boarded and a number of barrels of pork were conveyed away. The Roman Catholic Chapel has been burned down, and it is reported that the Roman Catholic Priest is dangerously wounded. An attempt to burn the English Church was fortunately discovered in time to prevent much damage to the building. A petition was got up by the Clergymen residing in the district viz. the Rev. Dr. Lee, Catholic Pastor, and the Rev. W. Baynes, Presbyterian Minister, to His Ex. Sir C. Bagot, praying him to take into consideration the cries of the Starving but industrious individuals-who it appears were induced to assemble along the Canal by advertisements to seek employment on the Government works. The petition describes the rioters, as sober, industrious operatives, who disposition were driven to their acts by actual want.
