of the Delawares, gave this Province some Disturbance about the Lands the Proprietor purchased from them, and for which their Ancestors had received a valuable Consideration above Fifty-five Years ago, as appears by a Deed now lying on the Table.—Sometime after this, Conrad Weiser delivered to your Brother Thomas · Penn your Letter, wherein you request of him and Games Logan that they would not buy Land, &c .-This has been shewn to them and interpreted; notwithstanding which they have continued their former Disturbances, and have had the Insolence to write Letters to some of the Magistrates of this Government, wherein they have abused your good Brethren our worthy Proprietaries, and treated them with the utmost Rudeness and Ill-Manners. Being loth, from our Ref gard to you, to punish them as they deserve, I sent two Messengers to inform them that you were expected here. and should be acquainted with their Behaviour.—As you, on all Occasions, apply to us to remove all white · People that are settled on Lands before they are purchased from you, and we do our Endeavours to turn such People off; we now expect from you, that you will cause these Indians to remove from the Lands in the Forks of Delaware, and not give any further Difturbance to the Persons who are now in Possession.'

To inforce this we lay down a String of Wampum.

Then were read the several Conveyances, the Paragraph of the Letter wrote by the Chiefs of the Six Nations relating to the Delawares; the Letters of the Fork-Indians to the Governor and Mr. Langborne, and a Draught of the Land; and then delivered to Conrad Weiser, who was desired to interpret them to the Chiefs when they should take this Affair into their Consideration.
