

ing in force,—in the 1st case, for the full amount originally assured, and in either of the three other cases, for a portion of the same according to a fixed and equitable scale endorsed upon the policy.

No. 11. Circumstances will frequently arise whereby, a person having assured his own life for the benefit of a surviving family, or the protection of a creditor, may attain his object by other means, and consequently be desirous of securing for himself the benefit of the assurance. To meet such cases this table has been computed, shewing the rates required to secure a sum payable at the death of the assured, if he die before attaining 60 years of age, *but also payable to the assured himself if he survive that age*; by this means a provision for old age is combined with an assurance upon life.

Policies revived, without the exaction of a fine, at any time within twelve months, if health remains unimpaired.

Age of the Assured in every case admitted in the Policy.

Medical Attendants remunerated in all cases for their Reports.

BRITANNIA MUTUAL LIFE ASSOCIATION,

No. 1 Prince's Street, Bank, London.

Empowered by Her Majesty's Royal Letters Patent.

DIRECTORS:

(Same as the Britannia Proprietary Branch.)

This institution was originally established under a different title in the year 1839, on the plan of admitting the Assured to participate in four-fifths only of the profits; but the Society has since been remodelled so as to become a strictly "Mutual Association."

The whole of the funds and property belong to, and are accumulated for the exclusive benefit of the Assured.
