SEEDS! SEEDS! SEEDS!

TORONTO SEED STORE!

Corner of Front St. and West Market Place

THE Subscriber in returning his sincere thanks for the patronage so liberally extended to him for the past four years, since commencing the business, would now beg to direct the attention of his friends and the public, to his large and well assorted stock of

FRESH GARDEN, FIELD AND FLOWER SEEDS,

All of which have been procured with his usual well-known care and practical knowledge from parties in Europe and America, personally known to him; he would therefore venture to say that the quality of all his Seeds cannot be surpassed in this Country or anywhere else.

FARMERS and GARDENERS would do well to examine before purchasing elsewhere, for it is their interest particularly to procure the best of seed to be had, and SPURIOUS SEEDS are often offered by unscrupulous parties under pretended inducements, which, if depended on, may prove fatal to crops, on which purchasers depended for a living.

No seed is sold in his establishment without first being carefully tested.

Large supplies of all the leading varieties of the different kinds of seeds, most suitable to this climate, are constantly kept on hand.

Catalogues with full directions for sowing and raising vegetable and other seeds, may be had gratis, on application; and being a practical gardener of 19 years' experience, he will always feel happy to give all necessary information, personally, regarding the mode of cultivation, selection of varieties, &c., gratuitously to any of his customers.

For the convenience of those who wish to stock a small Garden with Vegetables and Flowers, but are unacquainted with the proper quantities for that purpose, he has collections ready put up.

Price of Collection of Garden Seeds, \$2.
