DEVOTED TO THE INTERESTS OF

*Canadian Naturalists and designed to encourage the popular study of the Natural Sciences.*

## *Canadian Postal College of the Natural Sciences.*

This Institution aims to awaken and foster a more general interest in Scientific knowledge, to induce young men and young women to engage in systematic study at home, and to afford its members the means for mutual assistance in the pleasing and ennobling study of Nature's works. All efforts used to make the connection of students with this Association pleasant and profitable.

A Course of Study has been arranged extending over three years, and including the following subjects: Physiology, Geology, Botany, Natural Philosophy, Astronomy, Chemistry, Zoology and Mineralogy.

The Officers of the College are a President, Secretary, and a Board of Directors, consisting of fifteen active Naturalists. Instruction is given members by means of private correspondence and by publications in the SCIENCE MONTHLY. The members report at the end of each term; yearly examinations are held at the Students' homes, and at the end of the course diplomas are given showing standing, etc. Course of Study and full information sent upon application to the Secretary.
