ROOT SEED SOWER,

AND
Manure and Plaster Distributor.

THE Subscriber has obtained a patent for the above Machine, which he desires to introduce to the notice of the Farming community. It will sow, and evenly distribute all kinds of root seeds, in any required proportions. It will at the same time distribute manure or plaster, in any required quantity. It will sow and distribute the seed with or without any manure or plaster. It will distribute, without injury, plaster or ashes over plants when they come through the ground. It will sow double or single—two rows, or one in a time. It can be worked by manual labour, or by horse power. It is the most complete article of the kind, and one of the greatest LABOUR-SAVING INVENTIONS yet brought under public notice.
