Christian Conference.

TORONTO, 17th Nov., 1879.

DEAR BRETHREN IN CHRIST.—In the Providence of God the Rev. Geo. Muller of Bristol, England, has been visiting the various cities of Canada during the past few weeks, and has kindly consented to remain, and be present at a Conference of Christians to be held in SHAFTESBURY HALL, in this city, on the 10th, 11th and 12th days of December next. The Hon. Vice-Chancellor Blake will preside. The objects of the Conference will be to consider What the Bible Teaches, as to "The Second Coming of the Lord," "The Inspiration of the Scriptures," "Bible Study," and such other subjects as may be decided upon. Mr. Muller will take an active part in the Conference, and give addresses on these subjects. The following well known ministers and others from a distance have promised (D.V.) to be present and take part in the proceedings: Rev. W. J. Erdman, Jamestown, N.Y.; Rev. E. P. Marvin, Lockport, N.Y.; Dr. Foster, Clifton Springs, (and others to be heard from).

Other brethren of this City and Province will also participate in the Conference. You are earnestly requested to make this Christian Conference a subject of much prayer. Please speak of it to other Christians, and if possible have it noticed from the pulpit of your church, and in the local press. A large gathering of ministers and Christian workers is expected. The subjects under consideration (which are of the deepest importance to every child of God), the presence of our beloved brother Muller, the promised presence of our blessed Lord, Matt. xviii. 20, and the teaching of the Holy Spirit, John xiv. 26, xv. 26, xvi. 13, 14, give us reason to believe that this Conference will be one of exceeding interest and profit, and bring great glory to our Lord and Master, even Jesus.

There will be a Prayer Meeting for guidance and blessing (over which Mr. Muller will preside), on Tuesday evening, December the 9th, at 8 o'clock.

The Sessions of the Conference will be as follows: From 10 to 12 a.m., 3 to 5 p.m., each day. Evening Meetings at 8 o'clock.

We are yours in the bonds of Christian love.
S. H. BLAKE, S. R. BRIGGS, } Secretaries.
Chairman. W. P. CROMBIE, }

Friends out of the city expecting to attend the Conference will greatly oblige by intimating the same to S. R. Briggs, Willard Tract Depository, Shaftesbury Hall, Toronto.

The brethren invited to take part on the subject of the "Second Coming of the Lord," will treat it mainly from the pre-Millennial aspect.

Pickering College!

TO PERSONS WHO WISH TO SECURE for their sons and daughters a thorough and practical education and to young men and young women who purpose preparing for Second and Third-Class Teachers' Examinations, or for Matriculation into the University, or into the Law Society, or into the College of Physicians and Surgeons, this institution offers peculiar advantages. Its special features are:—

1st. Although endowed and maintained by the Society of Friends, it is open to young people of both sexes of all denominations. All students are expected to attend some place of worship, but it may be that which they or their parents or guardians select.

2nd. It aims to give a first-rate education at the lowest possible cost. The fees are only \$150 per annum, a proportionate amount for a shorter time; and they include tuition, board, washing, fuel, light, etc.,—every necessary expense except text-books.

3rd. Its curriculum and studies are precisely the same as in our best High Schools and Collegiate Institutions. But students attending this College have many advantages not to be obtained in most High Schools: such as board in College building, a reading room well supplied with the best current news and literature, comfortable study rooms, parlours, bedrooms, gymnasiums, playgrounds, etc.

4th. It is aimed to make the Scientific Department as thorough as possible. A very complete chemical apparatus has been purchased in Philadelphia, suitable for Second Class and Intermediate work. Every student in the department will be required to become a practical experimenter. Mr. Davis, the Science Master, is a Gold Medalist in Natural Sciences of the University of Toronto, and a thoroughly competent instructor.

5th. A Commercial Form is established in which students are thoroughly taught Commercial Arithmetic, Composition and Book-keeping. Any student in the Commercial Form may take any other subject in addition.

6th. Students who do not wish to prepare for any examination may take an optional course, and devote their time to special subjects.

7th. The means afforded for mental recreation are ample. Besides the reading room, there is a Literary Society which meets once a week, and a course of lectures by leading educationists and others will be delivered during the winter.

8th. The College building is so arranged that the sexes are separate except during recitations and in the dining-room. Boys and young men are under the charge of the House-master. Young ladies are under the charge of the Governess.

9th. The Committee and Officers hope to maintain a good moral tone in the school. A Bible class is held every Sunday afternoon. On Sunday evenings lectures on morals, character, and conduct are delivered by the Principal.

The management hope by dealing fairly and carrying out faithfully all that is undertaken, to secure a good class of students. None but those willing to do work for its own sake are invited to attend. The idle and vicious, after a fair trial, will be got rid of. There are no prizes, scholarships, or rewards; no marking system or competitive examinations.
