## MEDICAL & SURGICAL ASSOCIATION OF CANADA.

OFFICES: "Mail" Building, Toronto, Ont.

The Most Extensive Medical  
INSTITUTION IN CANADA, AND THE ONLY  
ONE EXCLUSIVELY DEVOTED TO THE  
TREATMENT OF CHRONIC DIS-  
EASES AND DEFORMITIES.

The building in which the Association's Offices are located.

A Purely Canadian Institution,  
WHICH HAS NO CONNECTION WHATSOEVER  
WITH ANY SIMILAR INSTITUTION IN  
THE UNITED STATES OR OTHER  
FOREIGN COUNTRY.

### THE MEDICAL AND SURGICAL ASSOCIATION OF CANADA

has been permanently established in Canada, with offices in the "Mail" Building Toronto, Ont., for the exclusive treatment of chronic diseases and deformities. It is connected with no other institution of a like character in the United States or other foreign country, but is a purely Canadian institution, established in Canada, by Canadians, to do business in Canada.

### OUR STAFF OF SPECIALISTS.

The Medical Director of the Association, C. Duncombe Tufford, M.D., C.M., L. of Ont. and Que., M.C.P.S.O., is a grandson of the late Hon. Dr. Chas. Duncombe, who fifty years ago was one of Canada's best known and noted politicians and surgeons. He was a favourite pupil of the late Hon. Dr. Rolph, and after graduating at the institution of which he was the head (Victoria College, Toronto), attended some of the best medical schools in the United States, and was also a private pupil of the celebrated Prof. T. Gaillard Thomas, of New York, and received instructions from him in his special branch of practice. He has been in active and successful practice for the past twenty five years in Canada and the United States, and has been a valued contributor to several of the leading medical journals. Associated with him are a number of skilled and experienced specialists, graduates of Canadian medical colleges of high standing, who have spent many years in the practice of their profession as "regulars," and who have perfected themselves in their various specialties in Europe and America. We have gathered together a staff of eminent specialists, such as no other institution of a like character on this continent employs. Every case we treat is laid before this staff, discussed, and the mode of treatment decided upon, and thus the combined experience of these professional gentlemen is brought to bear upon individual cases, ensuring the patient such treatment as the family physician, acting by himself, cannot be expected to furnish.

### WHAT KIND OF CASES WE TREAT.

We can successfully treat all kinds of Chronic Diseases and Deformities. We are enabled to do this by employing a number of physicians who, by proper training and experience, have attained the highest degree of skill and proficiency in their respective specialties. In addition to this advantage we have every facility that science affords and that money can buy in the way of instruments, appliances, remedies, etc. We are thus thoroughly prepared to give relief to those who treat with us, no matter what their disease may be, or the nature of their deformity, or what doctors have failed to cure them. If you are afflicted with Consumption, Bronchitis, Asthma, Catarrh, Nervous Debility, Heart Disease, Epilepsy, Paralysis, Dyspepsia, Disease of the Liver, Kidneys, Bladder or Stomach, Rupture, Scrofula, Rheumatism, Deafness, Loss of Sight, Cross Eyes, Crooked Limbs, Spinal Curvature, Hip Joint Disease, Club Feet, or any other kind of Chronic Disease or Deformity, call on or write us, and we will give you an honest and candid opinion free of charge. IF WE CAN DO NO GOOD WE WILL CANDIDLY SAY SO AS WE TREAT NO CASE UNLESS THERE IS A STRONG PROBABILITY OF CURE OR PERMANENT BENEFIT.

### WE CANNOT AFFORD TO DECEIVE,

any more than a merchant or manufacturer can hope to succeed by misrepresenting his wares. In all our dealings we will be candid, honest, and straightforward, and in no way will we attempt to deceive the public, and especially those who have trouble enough to bear without having deceit practised upon them. Our charges for treatment are very reasonable. Medical treatment furnished by correspondence and express. "Guide to Health" sent free to any address. Consultation, personally or by letter, free. If you are afflicted with any form of chronic disease or deformity, and want an honest and candid opinion, call on or write the
