

Miscellaneous.

THE greatest of faults is to be conscious of none.—*Carlyle*.

My faith hath no bed to sleep upon but omnipotency.—*Rutherford*.

THE best school of nobility is the imitation of Christ.—*Bishop Huntington*.

A DECIDED HIT.—Hayward's Yellow Oil touches the right spot every time when applied for rheumatism, neuralgia, pain, soreness or lameness; and internally for colds, sore throat, etc., it is equally infallible.

If ye were not strangers here, the dogs of the world would not bark at you.—*Rutherford*.

SECRET prayer is to the Christian what winding is to the clock. O, how many Christians run down!

HOW TO TELL GENUINE FLORIDA WATER.—The true Florida Water always comes with a little pamphlet wrapped around each bottle, and in the paper of this pamphlet are the words "Lanman and Kemp, New York," water-marked, or stamped in pale, transparent letters. Hold a leaf up to the light, and if genuine, you will see the above words. Do not buy if the words are not there, because it is not the real article. The water-mark letters may be very pale, but by looking closely against the light, you cannot fail to see them.

WHEN life is suffered to swing from one thing to another, without distinct purpose, when aims are so numerous that they result in aimlessness, and paths so broad that the goal is forgotten, the character is weak, the work is imperfect, and the life of but little value.

In all things throughout the world, the men who look for the crooked will see the crooked, and the men who look for the straight will see the straight.

THE QUESTION OF THE DAY.—"What is good for a cold?" is a question often asked, but seldom satisfactorily answered. We can answer to the satisfaction of all, if they will follow our advice, and try Hayward's Pectoral Balsam, a safe, pleasant and certain throat and lung healer. Sold by all druggists.

I wish it were never one's duty to quarrel with anybody. But not to do it sometimes is to smile in the devil's face, and that no one ought to do.—*George Macdonald*.

ALLEN'S LUNG BALSAM is the standard cure for Coughs and Colds in the States. See advertisement.

STRIKE from mankind the principle of faith, and men would have no more history than a flock of sheep.—*Bulwer*.

WHILE we advocate the most fearless fidelity to right and righteousness, we most earnestly caution against vindictive harshness in spirit or in word. Be sure that the sweet spirit of perfect love tempers the heart and breathes in the words.

THE MASON & HAMLIN COMPANY, long the most famous manufacturers of reed organs in the world, have commenced the manufacture of Upright Pianos, having effected an improvement which they regard as the most important introduced in many years. An ingenious arrangement fastens the strings directly to the iron plate of the instrument, giving greater clearness and purity of tone, with absence of all mere noise. At the same time it renders the instrument more durable, less liable to get out of order. The Mason & Hamlin Pianos are certainly exquisite instruments, and, coming from these thoroughly well-known makers, may be depended upon to be all they represent them.—*Boston Journal*.

I WILL be content of no pawn of heaven but Christ Himself; for Christ, possessed by faith here, is young heaven and glory in the bud.—*S. Rutherford*.

WHEN you cry out for God, He will cry out for you. There was never a heart homesick for heaven that heaven was not homesick for it. Never did a soul long for God that God did not long for that soul.

It is perfectly legitimate to speak of the good we see in others, even to them in a fitting manner. Kind words, based upon some good quality or action, have encouraged many to deeds of usefulness and lives of true greatness.

PROF. LOW'S SULPHUR SOAP is highly recommended for the cure of Eruptions, Chafes, Chapped hands, Pimples, Tan, etc.

The engraving represents the Lungs in a healthy state.

THE WAY IT WILL AFFECT YOU.

It excites expectoration and causes the lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. SUCH IS THE IMMEDIATE AND SATISFACTORY EFFECT that it is warranted to break up the most distressing cough in a few hours time, if not of too long standing. It is warranted to GIVE ENTIRE SATISFACTION, EVEN IN THE most confirmed cases of Consumption! It is warranted not to produce costiveness (most remedies cause this trouble) or affect the head, as it contains no opium in any form. It is warranted to be perfectly harmless to the most delicate child, although it is an active and powerful remedy for restoring the system. There is no real necessity for so many deaths by Consumption, when ALLEN'S LUNG BALSAM will prevent it if only taken in time. To Physicians having consumptive patients, and who, having failed to cure them with their own medicine, we would recommend to give ALLEN'S LUNG BALSAM a trial. Sold by all Druggists.

Opinions of Physicians and others as to the merits of PUTTNER'S EMULSION OF COD LIVER OIL, ETC.

DR. JENKINS, of Montreal, says: "I prescribe your EMULSION OF COD LIVER OIL with HYPOPHOSPHITES largely in my practice, with most gratifying results. You may use my opinion in any way you desire; I cannot speak too highly of your preparation." J. F. T. JENKINS, M.D., C.M., etc.

CAPT. JOHN R. HIRE, of Schr. Lillian, speaks of it thus: "I was suffering from a severe attack of inflammation of the chest, caused by a heavy cold brought on by exposure at sea, and on making my next voyage, I took with me a good supply of PUTTNER'S Emulsion, which I am happy to say, has perfectly cured me; indeed I cannot praise it too highly. I feel that it has given me a new set of lungs." JOHN R. HIRE, Capt. Schr. Lillian.

CATARRH: A NEW TREATMENT.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Out of 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular treatment are benefited, while the patent medicines and the advertised cures never record a cure at all. Starting from the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished, the Catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple and can be done at home, and the present season of the year is the most favourable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. DIXON & SON, 305 King Street, west, Toronto, Canada, and enclose stamp for their treatise on Catarrh.—*Montreal Star*.

BILIOUSNESS.

Bilious symptoms invariably arise from indigestion, such as furred tongue, vomiting of bile, giddiness, sick headache, irregular bowels. The liver secretes the bile and acts like a filter or sieve, to cleanse impurities of the blood. By irregularity in its action or suspensions of its functions, the liver is liable to overflow into the blood, causing jaundice, sallow complexion, yellow eyes, bilious diarrhoea, a languid, weary feeling, and many other distressing symptoms. Biliousness may be properly termed an affection of the liver, and can be thoroughly cured by the grand regulator of the liver, and biliary organs, Burdock Blood Bitters. Act upon the stomach, bowels and liver, making healthy bile and pure blood, and open the culverts and sluiceways for the outlet of disease. Sold everywhere and guaranteed to cure.

Guizot's

Also a CHEAPER EDITION, just issued, in 8 volumes, large 12mo., with 64 Fine Illustrations, otherwise the same contents as the other edition. Paper, press-work and binding all first-class. Bound in fine cloth; price of the set, \$5.00; postage 60 cents.

This is the only complete American edition of this magnificent work, which is known as the best popular history of France. The cost of the imported edition, with substantially the same illustrations is \$36.00, and the cost of the only other American edition (which is incomplete, coming down to, and NOT including even the French Revolution, and of course not the wars of Napoleon) is at the time of this announcement \$33.00, while THIS is commonly considered the BEST for the library.

"The matchless brilliancy of Guizot's style, his graphic descriptions of men and events, his painstaking minuteness of detail, the lucidity and ease of his style and the admirable philosophic reflections, all combine to render it worthy of the description it bears as the most popular history of France. It is as fascinating as a novel, and as life-like as a theatrical representation of the events and personages it describes. How the set can be sold for that price remains after much reflection, a mystery, for the work is not sham work, it is well done; altogether it is a marvel of cheapness. Mr. Alden has done much for the cause of good literature, but nothing better than this."—*Daily Times*, Buffalo, N. Y.

"It is far the best history of France that has been written. It is a wonder of cheapness."—*Christian Advocate*, Richmond, Va.

"What Victor Hugo is in fiction, Cousin in philosophy, Guizot is in history. Among Frenchmen he had but few peers."—*Christian Leader*, Boston, Mass.

"Such a history, by such a writer, and at such a price, should gain readers by the thousand."—*Churchman*, Richmond, Va.

CELEBRATED HISTORY OF FRANCE, from the Earliest Times to 1848. By M. GUIZOT, Prime Minister of France, continued from his notes, by his daughter, MME. GUIZOT DE WITT. Complete in 8 vols., small octavo, large type, bound in fine cloth, beveled boards, gilt tops. Per set, \$8.00; postage \$1.20.

France

"In style of cover, richness of binding, quality of letterpress, abundance of illustration, and lowness of price, this edition of one of the noblest historical works in existence, is one of the most remarkable publications now offered to the public."—*Star*, Dover, N. H.

Seven Great Monarchies

Of the Ancient Eastern World. By GEO. RAWLINSON. Chaldaea, Assyria, Babylon, Media, Persia, Parthia, and New Persian Empire. In three large 12mo. volumes, large type, with notes, index, and over 700 illustrations and maps, bound in fine cloth, gilt tops. Price reduced from \$18.00, to \$3.00; postage 42 cents extra.

"No better specimens of book-publishing could be desired than the volumes of Rawlinson and Guizot which Mr. Alden has issued."—*The Mail*, Toronto, Canada.

"There is no Guizot's admirable and fascinating 'History of France,' in eight nicely made and well illustrated volumes, with good print and gilt tops. But, in our judgment, the best bargain of all is his three-volume edition of Rawlinson's notable work, 'The Seven Great Monarchies.' Professor Rawlinson has no equal as a historian of the ancient Eastern Empires to which he here introduces us. We stand far back at the beginnings of history, and thus strange Oriental peoples, and their habits and customs, their lives and deeds, transpire before our very eyes. At his magical touch the dead arise and recount the story of their time. These books are full of illustrations which illumine the text. They are well made, thick books, on good paper, with good maps, and gilt tops. Once, these volumes,—the same text, maps, and illustrations—sold for \$18."—*Golden Rule*, Boston.
