A BRIDE'S CONFESSION

"Yes, dear, I am married now, and I am and I am keeping house in the loveliest flat on 64th St. Well, yes, we did get married, somewhat suddenly. My health, you know, had for some time been very delicate, and Dr. Heav-fee told mamma that he feared I would follow poor, dear sister Belle, who died three years ago from a wasting disease. Dear George was almost too good to me, and I nearly cried my eyes out, but one day I overheard that 'hatful Nelly Parker' say to her mother, 'I think that George Haverell is just too lovely for anything, and when the girl he engaged to, and they say she is dying of a rattling consumption, I'm going to step in to her shoes and become Mrs. George Haverell; now just you wait and see.' This spring I both of George seemed to be almost resigned to the idea that we should never be married, and the thought that that dear little busy might get him after all nearly drove me crazy. One day I read the testimony of lawyers Howe and Hummel as to the wonderfully invigorating effect of DR. CAMPBELL'S ARSENIC WAFERS, and I resolved to try that they would do for me. I commenced their use on the 4th of July. George had just called for Europe on business for his firm. On Sept. 18 he returned. I was from the use of the Wafers, by that time again a well woman, and so enraptured was he with my health and robust appearance that he insisted we get married the very next day. I could not say him nay, and, as you will see by my card, I am now Mrs. George Haverell. Do call soon and let me introduce George to you. I am sure you will like him, he is so handsome, and as good as he is handsome. Good-by; be sure not to get lost."

THE DEY OF ALGIERS!
 THE SHAH OF PERSIA and the SULTAN of TURKEY and MOROCCO now FATTEN and FATIFY their harem exclusively on DR. CAMPBELL'S ARSENIC COMPLEXION WAFERS. So great is the demand for these marvellous Wafers that their manufacture is continued day and night.
 The Shah found his harem in a state of disorder on his return to Persia - N.Y. World, Oct. 12, 1887. Reason - Their supply of CAMPBELL'S WAFERS was exhausted!
 ILLUSTRATIVE of the desirability of a certain amount of "fattenment," George has it that the above distinguished Oriental potentates make it a practice to WEIGH their wives regularly once a month, precedence in rank and imperial favour being accorded to the wife possessed of the greatest number of pounds avoirdupois.

The Histogenetic System
 OF MEDICINE.
 PARALYSIS CURABLE AT LAST.

JOSEPH PERKINS, of 208 Queen Street East, Toronto, says: -
 I have been paralyzed in the lower limbs, tongue and eyes for two years; also memory very much impaired. Loss of muscular power, great debility, unsteady gait, accompanied by dizziness and general derangement. I could not perform work of any kind most of the two years. Would frequently fall, striking upon my head, owing to sudden complete loss of power in my limbs and nerves. In San Francisco I was treated by two skilful physicians of the Allopathic School, without any good result whatever. I then tried one of the best physicians in Winnipeg, and he did me no good. I began to feel that all hope was gone. I happened to be passing the Histogenetic Medicine Offices, in the Henderson Block, Winnipeg, and seeing the sign I thought I would enquire into the system, and although I had spent so much money with no good results, I resolved to try the new system, as my sufferings were very great. I took the remedies for about two months there, and continued for three weeks longer in Toronto, getting the same medicines at 17 Queen Street east, the head office for Canada. I am radically cured, and have resumed my business, and am able to work all day as usual. These beautifully prepared, tasteless remedies are better than diamonds or gold, and I hope all affected as I will try them. They are the only sure and safe remedies.

AYER'S PILLS.
 AYER'S act directly on the digestive APILLS organs, promoting a healthful action, imparting strength, and eradicating disease. These Pills contain no mercury, or other dangerous drug. For the past two years I was troubled, constantly, with pain in the side and back. My stomach was also in a disordered condition. After taking many remedies, without relief, I tried Ayer's Pills, by the use of which, for only a few weeks, I was cured. - T. T. Sampson, Winona, Minn.
 AYER'S are far superior, as a cathartic, to any that are furnished by the pharmacopoeia. - Geo. P. Spencer, M. D., Unity, N. H. I have taken Ayer's Pills for twenty years, and am satisfied that, had it not been for them, I should not now be alive. By their use I have been enabled to avoid the bilious diseases peculiar to this climate. - M. Johnson, Monterey, Mexico.
 AYER'S have been used in my family APILLS for over thirty years. We find them an excellent medicine in fevers, eruptive diseases, and all bilious troubles, and seldom call a physician. They are almost the only pills used in our neighborhood, and never fail to give perfect satisfaction. - Redmond C. Conroy, Row Landing, W. Feliciana Parish, La.
 AYER'S are sugar-coated, safe and APILLS pleasant to take, prompt in their action, and invaluable for the relief and cure of Headache and Constipation. For several months I suffered from Headache, without being able to remove the trouble by medical treatment. I finally began taking Ayer's Pills, determined to give them a fair trial. They benefited me very much, and speedily effected a complete cure. - Mrs. Marguymond, Flint Village, Fall River, Mass.
 AYER'S cured me of Dyspepsia after APILLS I had given up all hope of being well again. I was sick for a number of years with this complaint, suffering also from Headache, Dizziness, Loss of Appetite, Indigestion, and Debility, and was unable to work. Ayer's Pills were recommended to me. I took them, and, in one month, was completely cured. - Roland L. Larkin, Harlem, N. Y.
 AYER'S are a sure cure for Liver APILLS Complaint. For months I suffered from this disorder, and was, for a long time, under medical treatment for it, but grew worse continually. Nothing seemed to help me until I finally began taking Ayer's Pills. After using four boxes of this medicine, my health was restored. - E. L. Fulton, Hanover, N. H.

Sparkles.
 MCHINN (having borrowed ten dollars): Oh, thank you! Words cannot repay you for this favour. De Tinn (dryly): No, I don't think they can.
 Timely Wisdom.

Great and timely wisdom is shown by keeping Dr. Fowler's Extract of Wild Strawberry on hand. It has no equal for cholera, cholera morbus, diarrhoea, dysentery, colic, cramps, and all summer complaints or looseness of the bowels.

RAZZLE: I understand that Robinson is a fluent French and German scholar. Dazzle: He is. But the great trouble is that you can't tell where his German leaves off and his French begins.

MINARD'S Liniment Cures Distemper. I SUFFERED for a long time from a severe, hacking cough, which was pronounced by a skilful physician to be dangerous and liable to terminate in consumption. I was completely cured by using WISTAR'S BALSAM OF WILD CHERRY. HENRY A. BEAN, Lawrence, Mass.

A LANDLORD in the Chair. - Man in back seat (singing): Mr. Chairman, I wish to move - Absent-minded chairman: I've got several vacant flats I'd like - beg pardon, Mr. Williams. What is your motion?

Imperial Federation. WILL present an opportunity to extend the fame of Dr. Fowler's Extract of Wild Strawberry, the unfailing remedy for cholera, cholera morbus, colic, cramps, diarrhoea, dysentery, and all summer complaints, to every part of the Empire. Wild Strawberry never fails.

For Lung Diseases only those Emulsions which are scientifically prepared can expect to succeed. SLOCUM'S OXYGENIZED EMULSION OF PURE COD LIVER OIL, compounded at their manufactory in Toronto, Ont., has, from the start, won a place in public confidence which surpasses any success achieved by a like preparation. It is handled by all druggists.

INDIGNANT LANDLORD (to tenant of flat): I thought you said that all your children were grown up, and here you've got three noisy babies in the house. Tenant: Yes, these are my grandchildren.

MINARD'S Liniment Cures Garget in Cows. Mining News. Mining experts note that cholera never attacks the bowels of the earth, but humanity in the coal and iron mines is necessary to use Dr. Fowler's Extract of Wild Strawberry for bowel complaints, dysentery, diarrhoea, etc. It is a sure cure.

SMALL BOY: Papa, what does "monotonous" mean? Father (wearily): Wait till your mother begins to talk dresses with your aunt, my boy; then you'll realize the full meaning of the word.

Equal Rights. All have equal rights in life and liberty and the pursuit of happiness, but many are handicapped in the race by dyspepsia, biliousness, lack of energy, nervous debility, weakness, constipation, etc., by completely removing these complaints Burdock Blood Bitters confers untold benefits on all sufferers.

It takes like Wildfire. Thousands of voluntary compliments and recommendations are pouring in from all parts, declaring Imperial Cream Tartar Baking Powder much better than any other. All grocers sell it.

CHICKERING. Some of the new houses up town are so narrow that a piano cannot be put in. Baus (excitedly): You don't know the rent of the houses next door to them, do you?

The People's Mistake. People make a sad mistake often with serious results when they neglect a constipated condition of the bowels. Knowing that Burdock Blood Bitters is an effectual cure at any stage of constipation does not warrant us in neglecting to use it at the right time. Use it now.

MINARD'S Liniment is used by Physicians. MR. CITIMAN (who has taken board on a farm): Is there a bank anywhere near here? Farmer Catchum: No, sir. We ain't never had no use for banks in this section. You see, this is the first season any of us has kept summer boarders.

What is a Day's Labour? ONE day's work for a healthy liver is to secrete three and a half pounds of bile. If the bile secretion be deficient, constipation ensues; if profuse, biliousness and jaundice arise. Burdock Blood Bitters is the most perfect liver regulator known in medicine for preventing and curing all liver troubles.
