**BE YOUR OWN PHYSICIAN!**

Many men, from the effects of youthful imprudence, have brought about a state of weakness that has reduced the general system so much as to induce almost every other disease, and the real cause of the trouble scarcely ever being suspected, they are doctored for everything but the right one. Notwithstanding the many valuable remedies that medical science has produced for the relief of this class of patients, none of the ordinary modes of treatment effect a cure. During our extensive college and hospital practice we have experimented with and discovered new and concentrated remedies. The accompanying prescription is offered as a certain and speedy cure, as hundreds of cases in our practice have been restored to perfect health by its use after all other remedies failed. Perfectly pure ingredients must be used in the preparation of this prescription.

**℞**—Cocain (from Erythroxylon coca), 1 drachm  
Jerubabin, 1 drachm.  
Helonias Dioica, 1 drachm.  
Gelsemin, 8 grains.  
Ext. ignatia amara (alcoholic), 2 grains.  
Ext. leptandra, 2 scruples.  
Glycerin, q. s.

Make 60 pills. Take 1 pill at 8 p.m., and another on going to bed. In some cases it will be necessary for the patient to take two pills at bedtime, making the number three a day. This remedy is adapted to every condition of nervous debility and weakness in either sex, and especially in those cases resulting from imprudence. The recuperative powers of this restorative are truly astonishing, and its use continued for a short time changes the languid, debilitated, nervous condition to one of renewed life and vigor.

As we are constantly in receipt of letters of inquiry relative to this remedy, we would say to those who would prefer to obtain it of us, by remitting \$1, a securely sealed package containing 60 pills, carefully compounded, will be sent by return mail from our private laboratory, or we will furnish 3 packages, which will cure most cases, for \$5.
