SHIPPING NOTES.

The different steamship companies operating steamers between Canadian and European ports are completing arrangements for the opening of navigation next spring. The first Allan steamship for the St. Lawrence will probably be the Californian, which will leave Liverpool April 20th, and Montreal and Quebec on May 7th. On May 14th the Castilian will sail from Montreal and Quebec. About June 15th, the magnificent new steamer of 10,000 tons, the Bavarian, will sail from Liverpool for the St. Lawrence. The regular sailing order thenceforth will be the Bavarian, the Castilian, the Parisian and the Californian. About the third week of August, the new steamer Tunisian will be completed, and will replace the Californian. The Dominion line service will be very similar to that of last year. The first steamer will be the Labrador, leaving Liverpool on April 13th, and Montreal on the 30th. It will be followed by the Dominion from Liverpool on April 20th, and from Montreal on May 7th; by the Scotsman from Liverpool on April 27th, and from Montreal on May 14th; and later by the Vancouver and the Ottawa. The first steamer of the Beaver Line for the St. Lawrence this year will leave Liverpool on April 15th and Montreal on May 14th.

Messrs. F. Leyland & Co., of Liverpool, announce through Steinmann & Co., their Antwerp agents, that on the re-opening of navigation a direct line of steamers will be put on between Antwerp and Montreal. The steamers employed will be the Albanian, Assyrian and Almerian. Sailings will be every fortnight.

Following is a list of names of steamers, ports of departure, destination and proposed dates of sailing, in which Canadian exporters and importers are interested:—
