Make Your Money Earn More

Don't you want to invest your money to the best possible advantage?

Why put it in a bank or a mortgage at 3½, 4, 5 or even 6 per cent. when we can make it earn 20 per cent. for you.

No, this is no fake, neither is it a mining scheme.

It's simply a straight, legitimate business proposition,—a copper refinery.

And the only one in Canada.

Perhaps you don't know that copper is one of the most valuable metals used.

Well, it is, and the demand far exceeds the supply.

But we can get all we want, if we can only secure capital to increase our plant.

To do this, we're selling a limited number of shares of the stock of the Montreal Copper Co., Limited, at \$100 each.

Send for circular, it explains how 17½ per cent. was paid on the capital invested last year.

MONTREAL COPPER CO., Limited, 332 William St., Montreal.
