**PROSPECTUS**

OF THE

**ILLUSTRATED GUIDE & HANDBOOK  
OF  
OTTAWA.**

It is the intention of the undersigned shortly to issue a work bearing the above title, in which all the public institutions in and around the city—the principal places of business, and many of the private residences of our leading citizens—shall be shown on wood engravings, especially got up, at great expense, for this work. The engravings shall be accompanied by descriptive letter-press matter, from the pens of some of the ablest literary men in the city, and will include sketches of the rise, progress, and present magnitude of our great lumbering establishments, the magnificent stores, and the princely residences with which the city and vicinity abound. Sketches of the early life and business habits of several of our most successful business men will also be given, and to those who prefer it, a steel or wood engraved portrait.

The work will be of a costly nature, and can only be undertaken upon ample assurances being given of a patronage to ensure success.

To this end agents will, in a few days, wait on the principal business men, to ascertain the extent to which they will be willing to patronize it, and if satisfactory, the work will be commenced at once.

To those desirous of having their places of business engraved, and published in the Handbook, it may be well to state the terms on which it can be done. It is proposed that the work shall be of a size similar to the Handbook of the Parliamentary Buildings, recently published by Mr. Bureau, and that the engravings shall each fill half a page—the other half to be filled with such matter as the owners may desire.

The illustrations of private residences may occupy a page, if desired, and the descriptive portion may extend over any number of pages which their interest may justify.

As a very large edition will be issued, it is hoped that a patronage worthy of the work will be extended.

Parties requiring illustrations will be expected to furnish photographs to the publishers. When the work is complete, the engravings shall be the property of the advertiser, to be used at any future time he may wish. The work will contain a well executed Map and Plan of the City.

Illustrations and Diagrams of the Parliamentary and Departmental Buildings will be given, with ample directions for those having business to transact in connection therewith.

Notices of the leading medical and legal professional gentlemen will be inserted.

Each Advertiser or Patron will be entitled to a number of copies of the work.

All Public Institutions, Churches, &c., will be included in the book; sketches of scenery, &c., &c.
