
Use Pure Water!

THE "SUCCESS" NATURAL TRIPOLI STONE FILTER AND COOLER (GERM PROOF)

Supplies a Long-Felt Want.

A Perfect Purifying Filter is now offered at a price within the reach of all. The filtering-block is Tripoli Stone, quarried from the earth—Nature's own process of filtering. It does not allow the filth and impurities to penetrate its pores. They are retained upon the surface until brushed off in the cleaning. Inside of block is as pure and white after years of use, as when taken from the quarry. All old-style filters, packed with sponge, charcoal and gravel, absorb and retain the filth and putrid matters, which are impregnated with disease germs, and if you use such a filter you are constantly drinking water filtered through this accumulation of filth and poisonous matter. This one can be cleaned in two minutes with a soft brush or sponge, or by simply holding it under a tap.
