WANTED.

IN order to complete some sets for binding we wish to secure a copy (each) of Nos. 14, 21 Vol. I; No. 9, Vol. II and No. 7, Vol. III, of the Bulletin. Any friend having these numbers would oblige by send them to the General Secretary.

CHANGES.

WE have somewhat changed the arrangement of our pages. The change may leave less space for general reading matter, but it gives us more space for that which we *especially* wish our Young Men to read: that is "God's word."

A GRADATION.

RECENTLY there have been two concerts held in our Hall under the auspices of the Association. One was Sacred—the other *was not*. In each case the music was *good*, the audience *MIDDLING*, the financial and spiritual profit *NIL*. We must acknowledge a growing feeling on our part, that the cause of Christ is not advanced by such gatherings, and we believe our feelings are shared in by others. We long for the day when we shall fully enter upon the work of *house cleaning*, and include in that work the removal of every questionable feature in the work.

NOON MEETINGS.

THese have been seasons of spiritual refreshing, souls have been quickened, and testimony given as to the power of Jesus' name.

A MEETING FOR ENQUIRERS

IS HELD

EVERY MONDAY EVENING, FROM 7 30 TILL 9.
In Parlor C (up stairs) Shaftesbury Hall.

JESUS—Able to save them to the uttermost that come unto God by him. Heb. vii. 25.
