

R. R. Y. M. C. A., ST. THOMAS.

R. W. J. Orr, whose name occurred in connection with the St. Thomas Y. M. C. A., visited that point with a view of settlement, during the early part of last month. After a stay of about two weeks he accepted a call to the Secretaryship, and is now located there. We wish him God speed in his new sphere of labor.

He is our first associate in this particular branch of our Master's work in Ontario. We thank God and take courage, trusting that we shall have many others before long, if the Lord tarries.

We observe by the papers of St. Thomas that Mr. A. F. Howland, the Chairman of the Committee, has already secured above \$1,000 for the work. This is in addition to the \$600 annually by the Canada Southern Railway.

Rooms have been secured, meeting the requirements of the men who are located in different parts of the city.

There is good prospect of the Conference of Christian Railway men being held at an early date at St. Thomas. Let every Christian make it a matter of special, constant, fervent, sincere, expectant prayer.

PERSONALS.

IREMAN John Lea (G. T. R.), who was so badly scalded by the explosion of the boiler at Lambton, is nearly well. His recovery has been so rapid that it is a marvel to all. Engineer Printer (G. T. R.), who was driving when the explosion took place, is reported fit for duty. Brakeman Garvin (G. T. R.), is rapidly recovering. Brakeman Archibald McArthur is doing well, though slowly.

The following circular shows what is being done by about 60 Railway Corporations for

Railway Men's Free Reading Rooms.

L. & N. ROOMS,

912 Broadway, opposite Freight Depot.

L. C. & L. ROOM,

1939 Jefferson Street, below Wenzel.

LOUISVILLE AND NASHVILLE RAILROAD CO.

OFFICE OF GENERAL MANAGER.

LOUISVILLE, Dec. 1, 1881.

To all Officers and Employees:

The Reading Rooms and other advantages provided by the Young Men's Christian Association of Louisville for Railway men, supply a long-felt need, and are deserving of patronage and cordial support from all attaches of this Company.

To aid in sustaining the Railway Branch of the Association work, this Company very cheerfully contributes seventy-five dollars per month.

JAMES F. HUBER, General Secretary, with the assistance of a young man in charge of the room, will direct the Short Line work until a suitable man may be secured to serve as Secretary.

WM. R. RAMSEY, recently Assistant Secretary at the Central Rooms, has been placed in charge of the L. & N. work.

*These gentlemen cordially invite all Railway men to visit the Rooms at their leisure, between 8 a.m. and 10 p.m. They will also gladly visit and otherwise assist, as far as possible, any sick or injured men upon notification.

The officers of this Company will be pleased to know that these privileges are appreciated.

F. de FUNIAK,
General Manager.
