use it once will use no other. It is called "NE PLUS

the earliest possible attention.The Sun Mutual Insurance Company is out
with a very satisfactory report this week. We
shall make some further reference to it in our
next.There is a well grounded complaint among
the members of the Stock Exchange that there
are too many dealers springing up. Indeed the
division into dealers and brokers is now as well
defined as that into bulls and bears, and the
result is not likely to benefit those who seek ad-

worst cases in the recent failures in this city;

reply to the Stadacona Insurance Company's
