Commercial Summaru.

Tween manufacturers may find it to their interest to address "A.'B," whose announcement will be found in another column. He means

THE dry goods stock of Turgeon & Co., this city, was bought by Dupuis & Co., at 81 cents in the dollar last week. Mr. Turgeon is now trying to do something at insurance.

- J. A. Fitch, a well-meaning trader of Kingsville, Ont., is again in trouble, and has assigned. He failed about five years ago, and compromised with his creditors. His misfortune is due to selling too much on credit for his capital.
- G. H. MUNROE, of Brandon, Man., groceries and liquors, has allowed his principal creditors to get judgment against him for \$8,000, leaving nothing for outside claimants.-John Young keeping a small general store at Berriedale, Muskoka, Ont., has assigned.
- A. W. GRAY, of Truro, N.S., referred to last week, owes about \$2000, and his assets amount to about \$500, chiefly in small book debts. His landlord is secured for \$250 .- Ottawa complains of losing \$30,000 a year through what is termed "exemptions of taxation."

The liabilities of A. D. Ritchie & Co., lumber millers at Lac a la Tortue and Three Rivers, Que., who failed a short time ago, are estimated at \$20,000; the assets are nominally about \$11,000. An offer of 20 cents in the dollar is under consideration. They have been but a short time in business.

Louis Lewis, eigar manufacturer, this city, one of the earlier enstomers of the late W. J. Ingram and his branch, has courageously taken up his grip-sack and samples, and started on the road for Messrs. S. Davis & Son. Mr. Lewis is a native of Russia, speaks half-a-dozen languages, and has something to say in each of them.
