In view of the coming attack upon our Church. Nearly all the Bishops have signified their warm approval of the "Story." The late Archbishop Magee commended it in these words:—"It gives in a condensed and popular form one of the best statements of the past history and present work of the Church with which I am acquainted. It seems to me especially suited for distribution amongst our intelligent working classes, who need just such a corrective to the false and misleading statements now so industriously circulated amongst them by the enemies of our Church."
