

EVERY PHYSICIAN knows that all essences of meat are merely harmless stimulants.

Johnston's Fluid Beef is a meat essence, according to the most approved formula, but in addition it contains the albumen and fibrine

(the flesh-forming or nutritious elements of meat), and that in a form adapted to the most impaired digestion. It is prescribed by every Medical Man who has tested its merits. Sold by Chemists and Grocers. Tins, 35c., 60c. and \$1.00.

ROWNTREE'S PRIZE MEDAL ROCK COCOA.

The popularity of this **RICH and NOURISHING** preparation is due to the following facts:—

- 1.—That it contains *Cocoa and Sugar only, without any admixture of Farina.*
- 2.—That the proportion of *Cocoa to Sugar is exceptionally large.*
- 3.—That the *Cocoa used is not robbed of any of its nourishing constituents.*
- 4.—That the delicate flavour of the *Cocoa Nib is not hidden by any other flavour.*

Thousands are unable to take *Cocoa* because the varieties commonly sold are mixed with *Starch, Farina* or other farinaceous compound under the plea of rendering them soluble, while in reality making them *thick, heavy and indigestible*, consumers of which are actually imbibing the seeds of

DYSPEPSIA IN THE BREAKFAST CUP.

DETECTION OF ADULTERATION. Fortunately this adulteration may easily be detected. For if *Cocoa thickens in the cup it proves the addition of Starch, Farina or some other compound.*

ROWNTREE'S Prize Medal Rock Cocoa contains only COCOA and Sugar,

and retains all the original richness of the *Cocoa Nib*, and is not weakened by admixture with *Farina*. It is therefore strongly recommended to all who require a

NOURISHING, STRENGTHENING AND GENUINE BEVERAGE

which will lie on the most delicate stomach, toning and stimulating, while others cause nausea and indigestion with all their attendant ills.

SPECIALLY IMPORTANT TO MERCHANTS AND BUSINESS FIRMS.

THE ACCIDENT INSURANCE COMPANY OF CANADA

Has instituted a system of granting Insurances on the lives of the members of Commercial or Professional Firms, covering death resulting from accidental injuries, at the reduced rate of

\$25 per Annum for \$10,000 or smaller sums in proportion.

This form of Insurance especially commends itself to all Partnerships. An accident resulting fatally to a member of a firm may be of material financial moment to the surviving partners. Bad health and declining years CAN be seen advancing, and may be provided against; but **SUDDEN CALAMITY** cannot be discounted, and the unexpected loss of a valuable member of a firm, and consequent withdrawal of capital, may be of vital financial importance to the house—whereas, if the firm have made it a charge on their Estate to provide against this by this inexpensive system of Insurance, the difficulties which might arise are materially averted, and the trifling cost of the provision cannot be held a useless or extravagant expenditure any more than provision against Fire, which no prudent firm neglects.

Accidents occur much oftener than Fires—experience shewing that one person in every ten is during the year accidentally injured—and in not a few cases with fatal results. The Insurance can be effected in a few minutes, no Medical Examination being required. Persons whose lives are uninsurable by ordinary Life Assurance can be covered by this system, whilst those who have been prudent enough to insure their lives against death by disease, should certainly shew further prudence by adding to the provision in case of their death being caused by circumstances of accident over which they have no control.

THE ACCIDENT

Is the only Company in Canada (or the United States) strictly confining itself to the business of Accident Insurance.

The number of Policies issued last year was more than twice those issued by all the Canadian Companies combined. It has paid over 800 claims, and never contested a claim at law, and it is the only CANADIAN COMPANY which has made the **SPECIAL DEPOSIT WITH GOVERNMENT** for the transaction of Accident Insurance in the Dominion.
