FOUCH & CO., Warren, Pa.

Catarrh, Catarrhal Deafness, Hay Fever.

**A New Home Treatment.** Sufferers are  
not generally aware that these diseases are  
contagious, or that they are due to the pres-  
ence of living parasites in the lining membrane  
of the nose and eustachian tubes. Microscopic  
research, however, has proved this to be a fact,  
and the result is that a simple remedy has been  
formulated whereby catarrh, catarrhal deaf-  
ness and hay fever are permanently cured in  
from one to three simple applications made at  
home by the patient once in two weeks. N. B.  
For catarrhal discharges peculiar to females  
whites, this remedy is especially. A pamphlet  
explaining this new treatment is sent on re-  
ceipt of ten cents by A. H. DIXON & SON, 303  
West King St., Toronto, Canada. Scientific  
Literature.  
Sufferers from catarrhal troubles should  
carefully read the above.

There is no better time than the present for  
entering either the
