"I am pleased that the NAC Orchestra will be returning to Europe and that European audiences will again have an opportunity to experience the creativity and quality of its music. I am certain that the Orchestra will represent Canada with great distinction, and I wish Maestro Pinnock and the musicians a successful and rewarding tour," said Mr. Ouellet.

Ouellet Inaugurates Canadian Embassy in Beirut

January 26, 1995, no. 15

Foreign Affairs Minister André Ouellet officially inaugurated Canada's embassy in Beirut, Lebanon. The embassy had been closed in 1985 owing to the conflict in Lebanon, and its personnel had been transferred to the Canadian embassy in Damascus, Syria. The embassy will be operational effective April 1, 1995. "The reopening of our embassy in Beirut marks a turning point in Canada's relations with Lebanon. We are now in a better position to assist more effectively in the reconstruction of the country and to develop closer social, political and economic ties, particularly between the people of Lebanon and Canadians of Lebanese background," said Mr. Ouellet.
