**Products/Services**  
Mouth-to-Mask resuscitator

**Current Export Markets**  
U.S.A., Europe, Africa

### Company Summary

MTM Health Products Ltd. is the successor company to Quick-O-Two Inc., which was established in 1985 to manufacture and distribute the MTM Mouth-to-Mask Resuscitator, and acquired in 1989 by Rayonics Scientific Inc. The company's product has become well established as one of the leading emergency resuscitators in North America. In late 1989, MTM will introduce the MTM IV-Push constant pressure infusor. Suited to the needs of paramedics and rescue squads, the device permits the infusion of medications and fluids without the need to hold an intravenous bag at a high level.

**Products/Services**  
Reaching aids

**Current Export Markets**  
U.S.A., Europe

### Company Summary

Multi-Reach Inc. was founded in 1987 to develop and manufacture reaching aids. Through a network of distributors and manufacturers' agents, the company's products are sold to hospitals and health care centres throughout North America and Europe. Products are designed for people confined to a wheelchair or with limited mobility and back pain sufferers. The Multi-Reacher, available in three fixed or folding models, will pick up items as small as coins or as large as newspapers. Recently, the company introduced an 18-inch moulded plastic shoe horn.
