

B. The Agency

In the exercise of its functions in accordance with this Treaty,  
the Agency shall

- coordinate the international monitoring régime including the exchange of seismological data, data on radionuclides in the atmosphere and other data relevant to the monitoring of compliance with the Treaty;
  
- endeavour, at the request of a State Party, through cooperation with the National Authorities of the States Parties and through other means, to clarify inconsistencies that may occur with regard to events relevant to compliance with the Treaty.
  
- verify, when inconsistencies are not clarified, compliance with the Treaty through on-site inspection in accordance with Article IV;
