

- 3.3.6.3. For all other repair designs, the approval of the Exporting Party constitutes a valid approval of the Importing Party without additional action.
- 3.3.7. For parts and appliances approved on the basis of technical standard orders decided by the Joint Sectorial Committee on Certification in accordance with Paragraph 2.2. of this Procedure, the approval of parts and appliances issued by the Exporting Party shall be recognised by the Importing Party as equivalent to its own approvals issued in accordance with its legislation and procedures.
- 3.4. Design-related Operational Requirements
- 3.4.1. The Importing Party, upon request from the Exporting Party, shall advise the Exporting Party of its current Design-related Operational Requirements.
- 3.4.2. The Importing Party shall determine with the Exporting Party, either on a case by case basis, or by the development of a list of specific current Design-related Operational Requirements for certain categories of products and/or operations, the Design-related Operational Requirements for which it shall accept the written certification and compliance statement of the Exporting Party.
- 3.5. Continuing Airworthiness
- 3.5.1. The two Parties shall cooperate in analysing airworthiness aspects of accidents and incidents occurring in relation to Civil Aeronautical Products to which this Agreement applies and which are such as would raise questions concerning the airworthiness of such products.
- 3.5.2. The Exporting Party shall, in respect of Civil Aeronautical Products designed or manufactured under its jurisdiction, determine any appropriate action necessary to correct any unsafe condition of the type design that may be discovered after a Civil Aeronautical Product is placed in service, including any actions in respect of components designed and/or manufactured by a supplier under contract to a prime contractor in the territory under the Exporting Party's jurisdiction.
- 3.5.3. The Exporting Party shall, in respect of Civil Aeronautical Products designed or manufactured under its jurisdiction, assist the Importing Party in determining any action considered to be necessary by the Importing Party for the continued airworthiness of the products.
