

*But now he comes to see that he must be damned for sin, unless Christ will pardon it; when God comes to work a change upon mans heart, he shows him that all evil in this world comes because of sin.*

And all evil in hell comes because of sin. The poor soul must come to see that he deserves the wrath of God for ever.

He has lived without prayer and has committed abundance of sin, and it affrights him to think how great a sinner he hath bin.

Now the sinner must be brought to see, and be convinced of his sins, or else he will never repent of them and turn from them.

2. When a man truly repents he must not only see his sins to be very great, but he must also be very sorry for them. 2 Cor. vii. 10. Isaiah lvii. 15.

When a man comes to consider how great a sinner he has bin, it pricks him at the heart, and makes him much sorry, so it was with them that Peter preached unto. Acts ii. 37.

Wickedness now seems bitter, how sweet soever it had bin before. The sinner now sees that he has bin running away from God.

That he has abused God's mercy, that he has cast off Jesus Christ, that he deserves to be destroyed, and this makes him very sorry.
