ORILLIA PUTS WIARTON OUT

Home Team Just Win in Second Game, Gaining Margin in First Half.

ORILLIA, Feb. 24.—Warton came here with a lead of three, but are put out of the running. In the return semi-final intermediate game here tonight, Orillia put Warton out of the running, and entered into the finals. Score, 5 to 1. The tie was first-class, and the game one of the best ever played in Orillia. Butterfield, playing rover, was the classiest stick-handler on the ice, and had the visitors puzzled with his dodging. Both teams played hard, and every man worked like mules, but the visitors could not get by the Orillia defence, and if they did, why, there was Teddy Corbould, who took care of everything that came within his reach. Warton's defence played a good game; in fact, every man of the visitors did finely, but the Orillia boys had it over them on back-checking, and held them down so closely that they had no chance to break away at all. Carter, Orillia's regular rover, played defence in the place of Perryman, who is under the weather, and Butterfield played in Carter's place at rover. Nimmo, in the Warton goal, was called upon to stop some hard shots. Ross scored Orillia's first goal, after about twelve minutes' play, and Jupp, Orillia's speedy right wing man, got another a few minutes later. These were followed after about fifteen minutes' more play by two more in quick succession for Orillia. The first half ended four to nothing for the home boys. The last half was fast, and Warton saw the game slipping from them, they resorted to rough tactics, and especially Porter, left defence man, who visited the penalty box frequently. Jupp got laid-out twice in the last half for a few minutes, but came back and finished the game. Orillia got one more goal in the second half, and Warton got their only point in this half. Full-time score, 5 to 1. This gave Orillia the round by 7 to 6. Line-up: Warton (G)—Goal, Nimmo; right defence, Gilder; left defence, Porter; rover, W. Ashby; centre, R. Simmie; right wing, S. Ashby; left wing, J. Corbould; Orillia (G)—Goal, Corbould; right defence, Carter; left defence, Harvie; rover, Butterfield; centre, Ross; right wing, Jupp; left wing, Macdonald. Referee—Harvey Sproule.

Standard Downs

Dominion Team

The Bank League staged another double-header at the last night, and the surprise package of the season was opened when Standard downed Dominion 2 to 1 in the second game. Dominion was minus the services of "Glad" Murphy and with the wood chopping that was the feature of the first game, Standard was themselves the strongest of arm. It was never good hockey, but they played, and it was only the pretty skating of Reg. Bloomfield that made it interesting to watch.

Dominion showed well in spots, and raised shot after shot at Turner in the second half, but the Standard goalie got in front of them all. It was a tie one all at the half.

Union clinched their section by downing Toronto 4 to 1 in the game, and the contest. The players were not over gentle with the checking, and it was exciting all the way.

Caps Will Try to Beat Canadiens—Shag

OTTAWA, Feb. 24.—"Certain players on the Ottawa team came into my office yesterday and asked me if I was anything to the rumor that the Ottawa executive wished the Canadiens to win the Stanley Cup in preference to the Toronto team, and wanted to know whether they were to be downed in the game." "I told them that the executive and management of the Ottawa were playing for the Canadiens to go out and win if they possibly could."

Other Ottawa executive men stated emphatically that not only would it be a disgrace to allow the Ottawa to even think of allowing a game to go to a visiting team without trying to win it, but that it would be a big injustice to the dead being served Ottawa during some future season. The Ottawa generally favor the Canadiens to win the Stanley Cup in preference to the Toronto team, but they are not going to assist the French team in doing so.

The Smith men will be crippled for the game. Kerrill is not in a fit condition to go on the ice, and Benedict's injured hand will keep him out of the game, start out with Gerry, who will probably be the defence with him. The line may see Darragh, Howie and the others, who are expected to start in place of Broadbent.

Quebec's Last Chance To Defeat Torontos

QUEBEC, Feb. 24.—The executive of the Quebec hockey team and the players themselves are determined to do their utmost to win Torontos here next Saturday. Jack Marshall's team is the only one that they have not trimmed yet, and the locals don't want to have the disgrace of being beaten by one team four times in a season.

"We are convinced that the old champions will defeat the prospect," said Manager Quinn last night.

The strictest training rules are to be observed, and the team is getting down to business, so that everyone will be in the pink of condition for the coming encounter.

BEACHES LEAGUE GAMES.

Junior—Diamonds and Dominion Express, 8.30, at Ravina rink.

Broadviews and Aurora Lee, 7.30, at Ravina rink.

East Toronto and Woodhams, 8.30, at Ravina rink.

ALL STANLEY CUP GAMES IN ARENA

President Quinn Has So Arranged, Even if Canadiens Should Beat Out Torontos.

President T. Emmett Quinn of the National Hockey Association was in the city on Monday to make arrangements for the playing of the world's series and the Stanley Cup. The dates set by the National Hockey Association will likely leave the games to be played so late in March that, in any case, they will have to be played at Toronto. The Maritime team will be the first to have a chance for the Stanley Cup, after which Victoria will come east. If the Torontos win the championship, as they likely will, they will be called upon to meet Sydney, champions of the Maritime League, on Monday, March 2, and on Wednesday, March 4. The winners will then play Victoria, the coast title holders, in a series of the best three in five games, beginning March 11. The schedule, including the O.H.A. games, provides for hockey in the arena until nearly April, and is as follows: Tonight, 8.15 p.m.—(N. H. A. professional)—Toronto and Ontario. Friday, Feb. 27, 8.30 p.m.—(O. H. A. senior final)—St. Michaels and Toronto. Saturday, Feb. 28, 2.30 p.m.—(O. H. A. junior final)—Winners of Orillia-Bellefleur game at Varsity III. Saturday, Feb. 28, 8.15 p.m.—(N. H. A.)—Ottawa at Ontario. Wednesday, March 4, 8.15 p.m.—(N. H. A.)—Wanderers at Torontos. Thursday, March 5, 8.30 p.m.—(O. H. A. senior final)—T. R. and A. A. at St. Michaels. Saturday, March 7, 8.30 p.m.—(Exhibition)—All-Stars juniors v. winners of O. H. A. junior championship. Monday, March 9, 8.15 p.m.—Sydney, champions Maritime League, v. winners of N. H. A. Wednesday, March 11, 8.15 p.m.—Sydney, champions Maritime League, v. winners of N. H. A. Total goals to count in two matches. Saturday, March 14, 8.15 p.m.—(First round)—Ottawa and Oshawa and Peterborough. Sunday, March 15, 8.15 p.m.—Columbia League, v. winners of Sydney. N. H. A. championship series.

HOCKEY GOSSIP

Because of the default of Kingston Frontenacs, their place in the O.H.A. semi-final junior games will be taken by Belleville. The latter and Oshawa may play at Peterboro tonight. The winner will play at Orillia Friday, and back at Oshawa or Belleville Monday.

By defeating Dunlop at Withrow Park rink by a score of 12 to 9, the Oshawa Clarke Co. hockey team are again champions of the "Riverdale Manufacturers' League," thus holding the 12.50 Kump Cup for another year. The team have not been beaten this season, either in the league or exhibition game, and have made a name for themselves for playing good hockey.

Goal, J. Ross; point, J. Spanton; cover, J. Sullivan; rover, E. Randall; centre, J. Ross; left wing, A. George; right wing, P. McElwain. Referee: McCord. Clarke's play at Aurora Wednesday night.

Sporting Editor World: Could you find space for under, re Kingston-Oshawa rink, the fact that 90 per cent. of Toronto hockey fans.

Another oddling ruling of that worthy committee is, it is a shame in every way and only knocks our good old game.

The Toronto Riverside Athletic Club's intermediate O.H.A. seven will play the Hamilton Hockey Club in an exhibition game at Hamilton tonight.

In a rough game Victorias defeated South Parkdale last night at Ravina rink by the score of 10 to 1 in the West Toronto Hockey League.

Beeches beat Coxwells last night at East Toronto rink by the score of 3 to 1 and can hardly be beaten out for the group title now. The winners are rough, and had no less than fifteen penalties to their opponents' three.

Owing to the fact that one of the teams in the beaches League play-offs tonight at Ravina rink was unable to make the grade and reach the rink for their game at the scheduled time, the program of the night's events has been rearranged, as follows: At 7.30, Broadview Juveniles and Aurora Lee Juveniles will meet in the semi-final, and they should provide a great battle. At 8.30 Diamonds and Dominion Express will clash in the final game of their group, and the breaking up of the three-cornered tie in the final should be fast from start to finish. At 9.30 East Toronto and Woodhams will try conclusions with each other once they have met twice before, and each team has emerged with a victory, the same should be the best of the evening. Thursday night, at 8.30, at Morley Avenue rink, Coxwells and Eastern Stars will play a league game. As this is practically the deciding game in the group, all members and supporters of the group are requested to be on hand early.

Frank Disette, manager of the St. Michael's Hockey Club, stated last night at a meeting early this week with the representatives of the T.R. & A.A. and the arena all arrangements were made, as referee: Yesterday the Toronto team was defeated by the Oshawa team, O.H.A. to appoint a referee and fix up the other details. It is likely that St. Michaels will win the first game of the senior O.H.A. finals minus the services of two of their players, but they should provide a great battle. Herbie Matthews has the game, and is a pretty slick boy. Buech David, who was laid out last night, is on the line. Rankin and LeFamme were both going well, and the Saints, outside of Matthews and Matthews, are all in first-class shape.

Long Mexico Meeting Winds Up the Fourth Sunday in March.

JUAREZ, Mexico, Feb. 24.—It has been settled that the present Jockey Club Juarez meeting will wind up Sunday, March 22, which will make a total of 115 racing days at the Mexican course for this winter.

This breaks all records in continuous racing, so far, at this great plant, as the greatest number of racing days previously held at the winter meeting here was 109, held last season. The opening racing season at Juarez in 1909-1910 ran for 82 racing days, while in 1910-1911 the meeting ran 107 days. In 1911-1912 it covered a period of 102 racing days. There will have been held 615 racing days here, and in this period more than 2000 races will have been run off, and more than a million dollars distributed among horsemen in stakes and purses won by members of their stables.

The last stake run off here this season is the Supreme Stakes, for the two-year-olds, and this event is set to be decided Sunday, March 15.

SOME FACTORS WHICH MAKE KONIGSBER DIFFERENT FROM OTHER LAGERS

A Brewer may have choice barley malt, selected hops, pure water, and up-to-date equipment and yet produce a very ordinary lager.

That this is not merely a theory is proven by the number of mechanically perfect breweries which are turning out inferior products.

But, given a brewery with all these essentials and a brewer with the rare art of knowing how to brew scientifically and the results must be a lager like *Königsberg*—the finest product of the brewer's art.

If your dealer cannot supply *Königsberg*, order direct from us.
