The New-York Life's Accumulation-Policy contains no restrictions whatever, and only one condition, namely, the payment of premiums. It is incontestable from any cause after one year, allows a month's grace in payment of premiums, a re-instatement within six months if the insured is in good health, and its non-forfeiture provisions are self-acting in case no action is taken by the insured. After the Policy has been in force five full years, loans will be made thereon by the Company at 5 per cent. interest.
