

### JAMES OPPOSES OWENS FIELDING-GOODERHAM

Labor Attends South Toronto Nominations In Force—Mackenzie Club President 'Dark Horse.'

**SOUTH TORONTO.**  
East A. H. James, Labor.  
East B. W. J. Owens, Conservative.  
East C. Fielding, Liberal.  
East D. Gooderham, Conservative.

Edward Fielding, secretary of the Commercial Travelers' Association, was nominated for the provincial legislature by the Liberal party for seat B, South Toronto, at Victoria Hall, Monday afternoon. He will oppose George H. Gooderham, Conservative.

For seat A the candidates are W. R. James, Independent Labor, and E. W. J. Owens, Conservative. The nomination of Edward Fielding by the Liberal party came as something of a surprise as it was not known up to the last moment whether the party would make a nomination or not.

The Labor party was strongly in evidence at the nominations. Mr. James, Conservative, was making his address here when he was interrupted by a labor representative who asked: "Did you not in committee vote against the 8-hour day clause in the act concerning city contracts?"

The clause you refer to was in connection with a fair wage and not anything to do with a nine-hour day. So far as I remember I was not present when the bill relating to city contracts was introduced," replied Mr. Gooderham.

Mr. Fielding, Liberal, in his speech declared for the abolition of French as a language on an equal plane with English in the common schools of Ontario.

All money expended for the public schools of this province," he said, "must be paid to only those teachers who are properly qualified in English without sectarian bias."

His position on the liquor traffic is for the abolition of the hotel bar. "But I am not yet decided," he said, "what would be the proper alternative. The time has arrived when liquor should not be sold at retail, but whether by wholesalers in sealed packages or by a system under government control, I am not prepared to say."

"We have some apparent sympathizers in the legislature," said W. R. James of the Independent Labor party. "But any measure they propose is invariably nullified by some clause."

E. W. J. Owens, Conservative candidate for seat A, declared the Sir James Whitney government had dealt fairly with the labor interests.

### INDEP. LABOR NOMINEE PROVIDES EXCITEMENT

West Toronto Nominations Return Five Candidates—Dr. Hunter Runs for Liberals.

**WEST TORONTO.**  
East A. Hon. Theo. Crawford, Conservative.  
East B. Robert Bult, Independent.  
East C. J. W. J. Owens, Conservative.  
East D. James Watt, Labor.

There was a singular lack of real roasting enthusiasm at the West Toronto nominations yesterday. James Watt, the Labor candidate opposing W. D. McPherson for B, provided the only excitement at the meeting.

His forceful remarks and radical measures drew both applause and derision from the delegates, and before a question at him. With the best of good humor he discussed his stand on day, tax reform and many other questions of popular interest to the workmen.

"We are losing many of our best citizens because of the industrial conditions in the country," he declared. "I do not consider that the question of bilingual schools and other planks that the recognized parties are standing on in the election. I do not believe that they are on industrial legislation."

Robert Bult Noble made a characteristic speech, which the Hon. Theo. Crawford later declared was the best one that he had made on two other previous nominations. "Mr. Noble goes so far," declared Mr. Crawford, "that he puts himself beyond the support of the electors. He attempts too much. He runs for the legislature, and he runs for the majority of Toronto. If Mr. Noble will take what I said from me, he will not contest the legislature."

Dr. Hunter, the Liberal nominee, plainly avowed that he would stand for the abolition of the bar, and of bilingual schools, and that he would give the provincial schools free textbooks, also came in for some hard hitting from Mr. Crawford. "I do not believe that Dr. Hunter is the nominee of the Liberal party," he declared. "It is not long ago since he ran in West Toronto as an Independent Labor. He is one of those men who will run in any horse whether he has a saddle or not. (Laughter.) He declares himself against bilingual schools. The leader of the Liberal party, with whom Dr. Hunter is not in sympathy, has not himself dared to express his views on the bilingual schools question. Dr. Hunter is simply a machine tool," he concluded.

"Sir James Whitney has done more to advance the interests of the province in the seven years of his government than any other man," declared W. D. McPherson, "than has been done by any other government since 1867. He placed himself on record as being strongly interested in the cause of labor, and declares that he would further the interests of wage-earners on every possible occasion."

**Lambs Died En-Rout.**  
A flagrant case of overcrowding came before the afternoon court yesterday at the city hall. A drover of a Strategy named John Curry, was charged with cruelty in that he shipped 65 hogs, and nineteen lambs in a Grand Trunk car to Toronto. He pleaded ignorance, but Magistrate Kingsford told him that his own common sense told him that he could not ship lambs and hogs in the same car, and fined him \$50.

### PINE PROMISES TO WIPE OUT FRENCH SCHOOLS

East Toronto Nominations Pass Off Quietly—Former Members Feel Certain of Re-Election.

**EAST TORONTO.**  
East A. David Bullock, Labor.  
East B. Hon. Dr. Pyne, Conservative.  
East C. J. B. Reid, Ind. Conservative.  
East D. James Stevenson, Labor.  
East E. T. R. Whitehead, Conservative.

Seven men are anxious to represent East Toronto in the Ontario Legislature and yesterday afternoon received nomination in Broadview Avenue Oddfellows hall. Two will fight for seat A, and for seat B three were nominated.

Those who represented that riding in the last legislature, Hon. Dr. Pyne and Mr. Whitehead, say they have no fear of the Conservatives, and are merely interested in the contest. At the same time the others are very sanguine.

While assuring the meeting that his opponents could not dampen his spirit in the least, Hon. Dr. Pyne said that the government would be returned with a large majority. There is nothing against the Conservatives, he said, and for that reason alone they would receive the support of the people. Then he said that they have during the past eight years proven true statesmen would convince the voters beyond all doubt that no change could possibly be for the better.

**No More Bilinguals.**  
Touching upon bilingual schools, Dr. Pyne merely said that they must be wiped out, and that they will be unheard of after a few months.

The Ross government gave \$120,000 annually to the schools system, but the Whitney Government gave \$150,000. Further, the Whitney Government established agricultural schools and did away with the text book combine and greatly reduced the price of all books used by the schools.

David Bullock declared that only lawyers and other professional men could get a hearing at the legislature, and that the poor working man is always shut out. This is why he is running, and he hopes to be able to gain the laborer the opportunity of making his wants known.

Whitehead spoke only for a few minutes. He showed how the Dominion and the Ontario Governments are now working hand in hand, and that the result will be that Toronto gets its share of all the good things that can be brought about by good government.

J. B. Reid's object in running is apparently to "break up the Conservative machine," as he termed it. He declared that the Albany Club ruled and not the people, and that the people should have their say and not the Albany Club.

James Stevenson retorted the stand taken by the labor people, and said he was standing on that platform.

### LOCKHART OPPOSES ROWELL

Great Interest Shown in North Oxford Nominations at Woodstock.

**WOODSTOCK, Dec. 4.—(Special.)**—The expected happened at the nomination meeting held here to-day, and as a result Mr. Robert Lockhart, farmer, and Mr. W. Woodcock, K. C., Toronto, will face the Conservative and Liberal candidates for North Oxford. N. W. Rowell was nominated by Francis Patterson of East Windsor, and John A. Bain of the Bain Wagon Works, and Mr. Lockhart was nominated by Dr. A. B. Welford of the city, and A. H. Goring of East.

The nominations had closed, stirring addresses were delivered by the candidates, and E. W. Nesbitt, M. P., on behalf of Mr. Rowell, and Mr. E. J. W. Johnston, on behalf of Mr. Lockhart.

The meeting was one of the most largely attended in the history of the town of the city hall being jammed to the doors.

### HASTINGS IS SOLID.

**BELLEVILLE, Dec. 4.—(Special.)**—At the nomination in this city to-day of a candidate to represent West Hastings, Mr. W. Johnston, ex-M. P., Conservative, was elected by acclamation. Not much interest was manifested in the proceedings. Short addresses were given by the candidates, and Mr. W. Johnston, ex-M. P., was elected.

### SURPRISE IN LESTONIE CITY.

**KINGSTON, Dec. 4.—(Special.)**—For the first time in the history of Kingston there was an acclamation and Dr. A. E. Ross, the Conservative candidate, was elected as member for Ontario legislature. The records show that this was the first time in the history of this city, which has been the scene of so many hot battles, that the election was followed to go by acclamation caused great surprises on all sides. After having been declared elected, Dr. Ross gave a short address at the city hall, in which he returned thanks to his supporters, and paid a tribute to the Whitney government, stating it was an honest and progressive government.

### Sulman Sure Winner.

**CHATHAM, Dec. 4.—(Special.)**—G. W. Sulman, Conservative, and Edwin Harris, Independent Liberal, were nominated for the provincial elections at the court house to-day. There is little interest in the elections here, it being a foregone conclusion that Sulman will win hands down. Only 48 persons registered before the registration board.

### Walk Over for Jessop.

**ST. CATHARINES, Dec. 4.—(Special.)**—As generally expected, Dr. Elieha Jessop was to-day chosen by acclamation as Lincoln's member in the new legislature. It is the first time a political candidate received an acclamation in this county since 1867. Dr. Jessop has been Lincoln's representative in four previous legislatures.

### Died From Injuries.

**KINGSTON, Dec. 4.—(Special.)**—Wm. Coleman, formerly of Halifax, died from injuries sustained when accidentally struck with a rock while working for the C. N. R. on Perth road.

### BILINGUAL HARDLY MENTIONED IN NORTH

Nomination Meeting Talks About Everything Else—McNaught a Friend of Labor.

**NORTH TORONTO.**  
East A. W. K. McNaught, Conservative.  
East B. William Stephenson, Labor.  
East C. J. J. Foy, Conservative.  
East D. Joseph Oliver, Liberal.  
East E. James Richards, Labor.

W. K. McNaught, Hon. J. J. Foy, Joseph Oliver, James Richards, William Stephenson.

The above is the political bill of fare for the electors of North Toronto to choose from on Monday next. It was signed, sealed and delivered at the nomination meeting held yesterday afternoon at St. Paul's Hall, Yonge-st.

How these politicians do evade important issues!

About 300 electors had gathered in the hall waiting and even anxious to hear something more definite about the much discussed bilingual school question. But they didn't hear much. W. K. McNaught, Hon. J. J. Foy and Joe Oliver, forsooth, didn't take the trouble to make any direct reference to this topic at all.

The chair was occupied by W. R. Cavell, returning officer for the riding of North Toronto.

W. K. McNaught, who was the first speaker, referred to the fact that his majority had been increased at each subsequent election since he was first returned. Mr. McNaught expressed his surprise at being opposed by a Labor candidate. Personally he did not favor Labor candidates or those representing any special class in the community. "As a workman I have no special policy, but I have always taken the position when questions affecting labor men and artisans are being discussed in the house, I have always taken the same position I would take if I were working in a factory."

Mr. McNaught believed that the report to be presented on workmen's compensation by the chief justice would be in the best interests of the labor men. Finally he stated that he wanted to represent the whole people of North Toronto and not any particular section.

### Same Old Story.

The electors of North Toronto have been listening to this same stuff for twenty years," said William Stephenson of the people. "I have just been an ordinary member of parliament, administering one of the portfolios of the Whitney government. I appeal to you not for J. J. Foy, but to sustain the Whitney government. Sir James has conducted his administration in such a way as to bring the endorsement and applause of the people from end to end of the province."

### Oliver No Opponent.

"What is the opposition to me at the present time apart from the Labor candidate?" he asked. "No regular Liberal nomination has been made. The Liberal party have seen fit not to oppose Sir James Whitney in North Toronto. Mr. Oliver said he would run whether the Liberals would nominate him or not."

"My views on the school question are before you all," he said, and much applause greeted his remarks.

Mr. Foy pointed out that he had been attacked in connection with certain matters pertaining to the department of education.

### PASSPORTS FOR JEWS.

**U. S. Government Negotiating With Russia to Provide Facilities.**  
**WASHINGTON, Dec. 4.—(Can. Press.)**—After months of uncertainty, the U. S. Government has taken up with the Russian Government at St. Petersburg, the question of passports for American Jews in Russia, and the obligations upon Russia embodied in the much-discussed treaty of 1902.

### Oliver Speaks Out.

Joseph Oliver handled Mr. Foy's reference to his inactivity when the Assessment Act was being revised without gloved hands. He recalled that the assessment on Yonge-street property north of King-street was doubled while he was mayor. He made an effort to put the assessment on land as much as possible. On his instructions Mr. Foyman, assessment commissioner, conducted the session of the assessment committee. Mr. Oliver contended that municipalities should have the option of assessing land more and buildings less.

### Ridpath Out in Week.

The splendid constitution of Bruce Ridpath is proving of great worth to him. Yesterday Dr. Walter McKeeven said that he was resigning strength very idly and that in another week or so he will be able to leave the hospital.

## You Pity the Outdoor Man In Cold, Stormy Weather

But It's the Indoor People who Fall Easy Prey to Colds, La Grippe and Consumption.

By breathing the pure, fresh air the blood is kept well oxygenized—it is rich and red—disease germs have no chance against it.

But people who spend their time in stuffy rooms and offices breathe the dry, vitiated air until the blood becomes thin and watery, the system gets run down, and the germs of colds, la grippe, pneumonia and consumption find easy prey.

In this condition you take cold easily, and fail to shake it off. One cold follows another, and you daily become weaker and weaker, and less able to fight off disease.

There is nothing like Dr. Chase's Syrup of Linseed and Turpentine to break up a cold which is working its way into the throat and lungs. It keeps the cough loose, aids expectoration, and prevents serious lung troubles.

But in this run-down condition you also need Dr. Chase's Nerve Food to make the blood rich and red, to put new vigor and vitality into the body, and to fortify you against disease. This combined treatment is an ideal cure for colds, la grippe, bronchitis and asthma, and as a means of preventing pneumonia and consumption.

### DUTY TO PUNISH "MEN BEHIND"

National Erectors' Association Believes About Thirty Labor Leaders Will Be Indicted for Dynamiting.

**NEW YORK, Dec. 4.—(Can. Press.)**—In behalf of the National Erectors' Association, which employed Wm. J. Burns to run down the McNamara dynamite outrages, Walter Drew, an address issued a statement here to-night urging that the prisoners "make a frank and full confession." Mr. Drew says among other things that he doubts the sincerity of labor's demands for extreme punishment in the name of justice, and indicates rather that those who take that attitude have an ulterior motive. Mr. Drew issued the statement in the form of a telegram to J. B. Fredericks, district attorney at Los Angeles. The telegram follows:
