

YORK COUNTY West Toronto North Toronto East Toronto

LABOR SHORTAGE AFFECTS NORTH TORONTO WORKS

Engineer James Denies Report That "White" Labor is Discriminated Against, Also That They Are Paid Better Wages Than the Foreigners—Want Incinerator Plant—Will Amend Building Bylaw.

No man need be without a job in North Toronto these days. There are by far more jobs than men, and foreigners have had to be called in to carry on the extensive building and municipal works that are being rushed to completion.

Mr. James said that at present, 210 men are employed in his department. It was suggested that the white laborers were raising the race cry in order to prolong the job. Mr. James said this need not be done for some time.

Mr. James said that at present, 210 men are employed in his department. It was suggested that the white laborers were raising the race cry in order to prolong the job.

ROOSEVELT WILL RECOVER

Continued From Page 1. The colonel laughed at the incident and recalled it today.

Sisters passing quietly along the hallway crossed themselves and murmured prayers when passing a framed apostrophe benediction signed by Pope Pius asking divine favor on Dr. J. E. Murphy, chief physician at the colonel's bedside, and "any patients he may have within these walls."

He asked seriously how his wound looked and leaned his head forward from his half sitting posture and surveyed it himself.

"That doesn't look bad, doctor," he said, "what do you think?"

"That is as it should be, but you had better see no one so that the rest would improve further any possibility of a setback."

He was disappointed for a few minutes, but the examination being over he reached again for his book and smiled "All right."

Col. Roosevelt Must Abandon Campaign

Even Under Most Favorable Circumstances, He Must Rest for Several Weeks. CHICAGO, Oct. 15.—(Special.)—Even in the event of Col. Roosevelt's rapid recovery it is stated positively that he will not be able to do any more campaigning this year.

It is planned to remove him to Oyster Bay as soon as he is able to leave Chicago.

The patient raised his eyebrows indignantly at the doctor's warning, but the doctors, by way of precaution, felt he had better see no one so that the rest would improve further any possibility of a setback.

He was disappointed for a few minutes, but the examination being over he reached again for his book and smiled "All right."

Sharp Upturn in All Stocks At Montreal

MONTREAL, Oct. 15.—Further gains were scored by practically the whole list on the stock exchange today. Montreal Power, Canadian Pacific, Laurier, and Dominion Steel and Iron were the leading features and at their high points of the day showed advances ranging from 3/4 to 5/8 over Monday's closing.

The King and Vaughan Plowmen's Association will hold its annual match on the farm of E. Mathewson in Vaughan Township, on Nov. 1. Secretary J. T. Solgenen of Maple states that the land chosen this year has never before surpassed, and that the outlook for a big list of entries is most encouraging.

Ward Seven

The permits for buildings in West Toronto issued during the first fifteen days of the current month number 48 and this total includes 51 drawings according to the statement given by the World last night by Building Inspector Armstrong.

The Keele street firemen were called out yesterday afternoon to Gunn's abattoir, where a horse broken out, caused the explosion of a gasoline tank in the engine room. Gunn's road and St. Clair avenue. The prompt arrival of the detachment prevented any serious damage.

The Humboldt Collegiate rugby team were defeated yesterday afternoon at Woodbridge Park by Harbord Collegiate Institute seniors, the final score standing 6-3. This is the first defeat of the season for the local team.

Work has been commenced on the large trunk sewer on Pacific avenue from Bloor street north to Humboldt avenue. Parallel sewers will also be laid on Haines avenue and Quebec avenue.

THISTLE TOWN

Owing to Woodbridge Fair being held on the same day as the regular monthly meeting of Thistle town branch of the Women's Institute, the ladies have decided to hold their meeting the following Wednesday (Oct. 23), at the home of Mrs. Andrew Shaw, at 2:30 p.m.

The main feature of the meeting will be sewing for charity. The vice-president of the branch has interviewed the matron of the Children's Aid Society and found that they will gladly accept bedclothing or children's clothes. There will also be an exchange.

HOW WALL STREET CONVERTS ARE MADE. NEW YORK, Oct. 4.—About two months ago a well-known retired Baltimore surgeon came on a week's visit to a broker's office in New York and he naturally came to Wall Street.

A New and Novel System of Irrigation. A novel irrigation system is being tested in some parts of the west. It is called the sub-irrigation system, because the water, instead of being liberated on the surface, is injected into the soil under the surface.

THE DRINKING MEN NEED MEDICAL ASSISTANCE. GATLIN TREATMENT CURES IN THREE DAYS. It is a wise man who recognizes that he is "losing his grip" and that it is time to "call a doctor" when his struggle for freedom comes—the time to take his old boss that he "usually finds he cannot leave it alone."

PRODUCTION OF DIAMONDS IS ON WANE

Diamond mining in South Africa is in a more prosperous condition than for some time past, the demand having materially increased from all the principal markets, and caused a corresponding increase in the price of diamonds in South Africa, but, on the other hand, has slightly fallen off.

During the half year ending June 30, 1912, the total production of diamonds in the Union of South Africa is returned at 2,332,355 carats in weight, of a total value of \$4,641,451, while in 1911 the total production was 3,351,988 carats, valued at \$7,746,724.

The Cape Province maintains its supremacy as a diamond producer over the other provinces quite easily, notwithstanding the fact that during the year the total production of diamonds in the Cape Province was 1,700,000 tons, as that the possible bookings on Jan. 1 next will not be far below the Steel Corporation's capacity in April, 1910.

Splendors of East Seen in New Ben-Hur

Elaborate Production of Great Biblical Play To Be Seen at the Princess Theatre on Monday, October 22. Never before in the history of the American or the Canadian stage has there been so much wealth expended on the presentation of an historical spectacle.

All the Oriental splendor of the Indian Durbar which King George V. of England journeyed to Delhi in India to take part in, will be brought to the doors of Toronto in Klav and Erlanger's elaborate new production of "Ben-Hur," which inaugurates a week's engagement at the Princess Theatre on Monday, October 22.

When the Steel Corporation begins business its capacity of finished steel for sale aggregated 7,700,000 tons, as that the possible bookings on Jan. 1 next will not be far below the Steel Corporation's capacity in April, 1910.

Boston's Weekly Park Walks. Believing that the main reason more people do not make greater use of the wonderful variety of parks in and about the city is that not enough invitation is extended, the Public Recreation League of Boston has been conducting for several months a series of Park walks on Saturday afternoons, says The Survey.

Parties are arranged for informal outings to the natural beauties in the vicinity of Boston. The walks are for the public without membership, dues, or other formality. Anybody interested is welcomed. The invitation is given in thru notices in the daily press and by circulars sent out by mail.

Chicago Live Stock. CHICAGO, Oct. 15.—Cattle—Receipts, 600; market slow and steady. Beef, \$9.50 to \$10.50; Texas steers, \$10.50 to \$11.50; western steers, \$12.75 to \$13; stockers and feeders, \$12.25 to \$12.50; cows and heifers, \$12.25 to \$13; calves, \$7 to \$8.75.
