## Pauling Friendly and Trotting Second Day at Poughkeepsie

### HOMERS TURN IN A VICTORY FOR LEAFS

Lear and Dolan Supply Big Noise in Tuesday's Win Over Hamilton.

Many added attractions were staged for the ladies at the island ball yard yesterday. Sam Lewis, late of the Texas League, made his farewell appearance after a short stay here. Standees take up a well-paying job in a munition factory in Dayton, Ohio. Mr. Lewis will play a little ball on the side. Lewis will play with a 5 to 2 victory over the Hamilton Tigers yesterday, but it was mainly due to the long-distance driving of our good warriors, Lear and Dolan. Lear batted for the circuit with a man on the paths in the first inning. Dolan grabbed his with the bases empty in the eighth. Both were mammoth swats and inside the grounds.

Another little side issue was the addition of Gonzales, a Cuban infielder. He came via the Boston Red Sox route, and the gentleman from the warm isle is very acceptable. He displayed all the earmarks of a real ball player. He is a fast, knows how to run bases and is a good fielder. Gonzales worked at short in Wagner's place.

The two home runs made a rather tame game interesting for the local fans. Shes, the Hamilton pitcher, made a good first of his job outside these lively hits, and it would have been real close otherwise. Little Carroll, at the third corner for the visitors, also gave the ladies a treat. He grabbed every thing that came his way and stooped in front of a few that should have gone into safe territory. The Tigers played smart; ball all thru the piece and the fans had no kick on the article supplied.

The Leafs varied their usual program by taking the lead early and staying out in front. Mr. Lear is the gentleman who was responsible for this satisfactory state of affairs. Gonzales got on in the opening inning and worked round to third. A hit put him on first. The stars second and ambled to third on Turner's lead. Lear rapped one to deep left that hit the bleacher fence and rolled around the track long enough to let him make the circuit. Two runs looked very large here.

Anderson had a dizzy time making the round of the paths in the second. And he hit the pitcher. Shes handed out a balk for the trip to third, and then Anderson was off for five rounds nicely with only three blows being registered against him. The Tigers simply couldn't get together with any hitting punch, and it was plain sailing. The first Hamilton run was pushed over by the sixth, and it was a tight squeeze to keep them to the one tally. Shes bounced a hit off Lewis' glove hand, but Irving failed to right. Carroll walked. Page forced Carroll at second and the throw to first for the double play was just a step too late. Eckstein cut to center for a base hit and the run. Barnhart rolled out.

The Tigers retired as they batted in the seventh, and it was in this inning that the Leafs tackled on their fourth run. Lear worked Shes for a free kick and Purcell sacrificed. Gonzales, center to score. Lear, Mikan second and then Page tore off a great running catch to get Anderson's fly behind first base. Fisher whiffed.

After Lewis fanned in the eighth, Coz Dolan batted one to the sixth, and center and went the whole route. It was a grand hit and good for a homer on any man's ball park. Gonzales and Callahan squeezed out hits and Lear sacrificed. Purcell couldn't do it and rolled to third.

Hamilton's second and final score came in the eighth. Dolan batted up Shes' effort and Irving hit safely. Carroll rolled out and Page popped to Gonzales. Eckstein bounced a hit to second and Shes scored. Barnhart rolled to Lewis to end the faint rally. This left it 5 to 2, for no trouble cropped up in Hamilton's ninth effort.

CUBS WANT TO PLAY.

Chicago, Aug. 20.—Twenty members of the Chicago Nationals in the draft are planning to engage in the world's series next month. This became known today when the men announced they had written their local boards asking permission to play. Chicago now has a list of eight games over New York.

### INDIANS REGAIN GROUND ON TUESDAY

Win Third Game From Red Sox—Another for Mitch's Cubs.

At Boston (American)—After losing two straight, Cleveland took the third and last game of its most important series of the season by beating Boston, 4 to 1, yesterday. Ruth, who beat Cleveland Saturday, started yesterday, and in the seven innings he worked the visitors made thirteen hits and scored eight runs. It was a loosely-played game, with many unusual features, the most startling of which was a put-out which Ruth made yesterday. The Cubs, who were defeated by the Red Sox, were again billed to tackle the leaders today, and if they can take a fall out of Hartman's crew, and the Leafs bite off both ends of the stick with Hamilton, the fans will breathe easier.

Every day makes it more apparent that the pennant will be won or lost in the three-game series with Binghamton here on Monday and Tuesday of next week. The Leafs will have to keep up the dizzy pace this week, and then for the big drive.

Gonzales is a handy pick-up. The Cubs looked like a good ball player yesterday, and will be a big factor in the busy two-week ahead of the Leafs.

The race in the National League is over. Fred Mitchell's Chicago Cubs can hardly be headed. They are nine games to the good and have a strong lead in the race. The Cubs' victory yesterday killed McGraw's outside chance.

Take a ticket on Ed Barrow's Red Sox in the American hunt. The Cleveland Indians beat the Boston Red Sox yesterday, 2 to 1, thereby breaking the latter team's winning streak of eight straight games. The Cubs, who were defeated by the Red Sox, were again billed to tackle the leaders today, and if they can take a fall out of Hartman's crew, and the Leafs bite off both ends of the stick with Hamilton, the fans will breathe easier.

### BINGOS INCREASE LEAD ON TUESDAY

The Leafs lost ground in the pennant hunt yesterday. Dan's boys fulfilled their part of the program by downing Hamilton, but Jersey City still by the wayside in both ends of the double-header at Binghamton.

### NO ANNOUNCEMENT ON WORLD SERIES

Waiting Until American League Race is Decided—Details Arranged.

Cincinnati, Aug. 20.—The National Baseball Commission met here today and went into a short discussion of the coming world's series, but shortly before the conclusion of the meeting announced officially that no decision relative to the schedule, umpires, eligible players and other details would be announced before an official promulgation of a bulletin containing all this information on next Thursday.

The reason given by Chairman August Herrmann, speaking for the commission, was that the American League race was entirely too close and that the members of the commission thought it would be better to delay any announcements that were to be made.

It was unofficially but authoritatively stated that every phase of the world's series work was taken up.

The meeting today was attended by Chairman Herrmann, President B. J. Johnson, of the American League, and Secretary John Haydler, of the National League, who came armed with authority to represent his league at the meeting.

The usual gathering of baseball magnates from almost every part of the country was lacking.
