How About a Camera for the Holiday?

Without a camera no outing is really complete. For a camera really does add to the enjoyment and interest of the event—not only because the taking of the pictures is fascinatingly interesting and one of the pleasant incidents of a picnic, but because complete picture stories of the occasion may be made for every member of the party. Whether it's to be a spin into the country by motor, an easy stroll into the suburbs of the city or a jolly picnic out in the woods, you'll appreciate the companionship of a good camera.

We've selected as features for today, those of the most popular models—all dependable cameras priced moderately.

THE NEW "ANSKO" VEST POCKET.

Being the Ansko Company's latest development, it combines completeness and dependability in small space. It takes pictures 2 3/4 x 3 3/4 inches, has an excellent double lens, adjustable view-finder, three-speed and two-time movement shutter, and one of its advantages is that focusing and other complicated adjusting is not necessary. Price, \$10.50.

THE BUSTER BROWN.

Here's a camera which beginners and even children can use and feel fairly well assured of good results, because little or no mechanical adjustments are necessary. It is equipped with a good single lens, two view-finders, covered with imitation leather, and takes pictures 2 1/2 x 3 3/4 in. Price, \$2.75.
Size 2 1/2 x 4 1/4. Price, \$3.50.

THE FOLDING POCKET ANSKO.

This camera is made of aluminum and covered with seal grain leather. Its shutter has an unusual speed range, there being five speeds to the snap and a time and bulb movement. It is equipped with a rapid symmetrical (double) lens.
