"Another Ten Thousand"
ULTIMATUM!

I make it a point to do all that I advertise.
I took the public into my confidence a few weeks
ago, and pointed out that the burden of debt was more
than I could carry, and I determined to sell my lands in
order to pay my debts, and I congratulate myself upon
having in a great measure succeeded. In fact the

Success Has Been Phenomenal
Considering the financial depression which has been
prevalent for the last eight months. I have sold over
SIXTEEN THOUSAND FEET!
of land in Chester in less than four months. I have ad-
vertised largely, but this is

"THE LAST TIME OF CALLING,"
AND I MUST HAVE
"ANOTHER TEN THOUSAND"
Dollars within a few days. I am making a

"BIG PUSH"
to get it, and if you desire to secure a portion of that Beautiful
Property known as the W. L. Taylor Estate

"You Had Better Speak Now,"
for it is now selling for six, seven, eight and nine dollars per
foot, but after three weeks from this date I will that sell a
foot for less than ten dollars. It will pay you to act forth-
with, instead of taking it into your

"SERIOUS CONSIDERATION"
for it is just possible that you may consider the matter until
the opportunity is gone.
This is the most desirable property to be had anywhere
in or about Toronto.

"Loaded Up the Other Way,"
and Northeast Toronto is now the most beautiful, and is fast
becoming the most popular part of the city.

THE TORRENSE TITLE.
I say advisedly that land under the "Land Titles Act" is worth
from two to three dollars per foot more than land not under the act.
No cost of Transfer of Mortgages, etc., as I will furnish all necessary
papers, and all the expense to the purchaser will be the cost of
registration.
