INCORRECT CERTIFICATE.

Appeal of a Separate School Section Dismissed at Osgoode Hall.

The Divisional Court at Osgoode Hall yesterday dismissed the appeal by the trustees of Separate School Section No. 1 of the Township of Humberburg for a mandamus to compel the corporation of Amberburg to issue an extra assessment for \$48 discrepancy in the school estimates for the year.

The assessor was made upon the town upon a certificate of the Town Clerk. It was found subsequently that there was an error in the certificate as to the amount of the extra rate. The extra rate was refused by the town, hence this application to the court.

It was held that the court could not go behind the certificate of the clerk.

THE DIVISIONAL COURT

Archbishop of Canterbury and Archbishop of York Made Them-selves a Court.

REV. HENRY WESTALL ONE GUILPRT

And Rev. Edward Ham Another— Their Verdict Will Not Count, Except to Bring Out Opinions.

London, May 8.—An important stage in the Ritualistic controversy opened to-day, when the Archbishop of Canterbury and Primate of All England, the Right Hon. and Most Rev. Frederick Temple, and the Archbishop of York, the Right Hon. and Most Rev. William Dalrymple MacLagan, sitting as a self-constituted tribunal, began a hearing of the charges against the Rev. Henry Westall, vicar of St. Cuthbert's, Philbeach Gardens, of ceremonial use of incense and lights, and the Rev. Edward Ham, vicar of the Church of St. John, Timberhill, Norwich, on the charge of ceremonial use of incense. Messrs. Westall and Ham will have the assistance of the ecclesiastical trial of a number of experts on the question of the ritual, including the Rev. R. H. Percival, rector of the Church of the Evangelists, in Philadelphia. The decision of the Archbishops will not be binding, except as to the procedure upon any appeal, nor will it be enforceable; but, naturally, it will have immense moral weight.

The chief purpose of this Archepiscopal enquiry is to avoid reference to the secular courts.

A large assemblage of bishops and well-known clergymen were present in the historic guard room of Lambeth Palace, when the Archbishop of Canterbury opened the proceedings with an explanation of the nature of the hearing. Arguments of counsel on both sides followed.

One Arrest Made Yesterday—Charged With a Long List of Offences.

The first arrest in the cases was made yesterday afternoon by County Constable Stewart. The prisoner is George Kendrick of Jersey-avenue. He was brought before County Magistrate Ellis and formally returned till Friday on four different charges. The warrants charge Kendrick with stealing a horse and buggy and a set of harness from Samuel McCrear of Vaughan Township on April 11, and with stealing a gold watch from his employer, E. Tomsett of York Township. He is further charged with stealing a horse and rig from E. Gallanough of Thornhill, on April 29, and with breaking into the post-office at L'Amour's the same night and stealing three boxes of cigars and a number of corduroy caps. The gold watch and the stolen horse and rig have been recovered.

The prisoner is only out of the Central Prison about three months, he having been there for the December and January charges of robbery in York County.

BRITAIN AND THE COLONIES.

London, May 8.—The Duke of Cambridge to-day opened Mr. Kirilsky's Greater Britain Exhibition at Earl's Court, in the presence of a distinguished company, which included representatives of several colonial governments. In the course of his speech the Duke of Cambridge emphasized the fact that he and other members of the Royal family desired to do everything to strengthen the ties between Great Britain and the colonies. His Grace said that it was a singular fact that, with all the talk of peace, all the nations were thus then when war is on the whole, the war of the nations is not a war of the nations, but a war of the nations.
