

CHURCH AND MISSION SABBATH SCHOOLS.

These Schools are all reported to be in a satisfactory condition, the attendance and missionary contributions being fully up to that of last year.

Bible Classes in connection with the Church School have been formed, and are under the able direction of the Rev. W. J. Dey, of the Presbyterian College, and Dr. Kelley, and we are pleased to learn that the attendance at these classes is very encouraging.

YOUNG MEN'S ASSOCIATION.

This Association, which meets fortnightly during the winter months, has had so far, a very successful Session, and the meetings have been well attended. From the number of young men in the Congregation, there should be no difficulty in sustaining a vigorous Society; and it is greatly to be desired that as many as possible should connect themselves with it. The Annual Report will appear with the other Reports of the Congregation.

IN CONCLUSION.

In closing this brief statement, the Court would express their devout thankfulness to Almighty God for what we, as a Congregation, have been permitted to accomplish in the past for the furtherance of His cause and kingdom; and to express the hope that a still greater measure of liberality may be manifested in the future, remembering that "to whom much is given of them much shall be required."

The whole respectfully submitted.

H. CAMERON,

Clerk Deacons' Court.
