

NOTES.

The celebrated Missionary, Adoniram Judson, once said to one of our missionaries—(*See Report, 1871*)

"I consider your work in Canada more difficult than ours in India, and involving more self-denial—Our missionary is looked up to and respected; yours is hated and despised. You have to deal with a corrupted christianity, but we with monstrous absurdities. You have my warmest sympathy, and my prayers for your difficult but most excellent work."

The Feller Institute at Grande Ligne, is as usual full to overflowing, and the Committee regret having to refuse so many. A large number of Catholic boys and girls are in attendance.

\$25,000 for the new wing, and an additional \$25,000 for endowment, are an absolute necessity. A handsome beginning has been made. Be prepared to add thereto.

The name of the old Post Office of Grande Ligne at the R.R. Station was secretly changed to St. Blaise. A new Post Office has been secured near the Institute, where four-fifths of all the mail matter of the community is handled, and we retain the old name of "Grande Ligne" in the new Post Office. This is a victory over priestly cunning.

The Principal's residence and a parsonage have been erected at Grande Ligne.

Grande Ligne Church has paid to various purposes during the year, over \$600.

Principal Massé now in good health, and surrounded by an excellent staff of teachers, is full of enthusiasm and hopefulness in his work. Last year Feller Institute Graduated 2 young men into McGill, and 2 others into McMaster Universities. Among the students this year are 6 young men and women preparing for French Mission work.

The Feller Institute at Grande Ligne, and the primary Schools at our various stations, can be made an ever increasing power for moulding the destinies of the people, and reaching them with the Gospel message.
