## NEWS AND VIEWS OF SPORT

Sam Fitzpatrick, who split up with  
Jack Johnson after taking the negro to  
Australia, has taken Frank Mantell under  
his managerial wing and will make match-  
es for the Pawtucket boxer in future.  
Frank recently gained a 20-round decision  
over Jack (Twin) Sullivan. Sam is look-  
ing for a bout with Papke.

Ad Wolgast, the Milwaukee fighter  
who caused a great sensation in pugilistic  
circles recently by giving Battling Nelson  
an awful lacing in a ten-round bout at  
Los Angeles, Ca., left Los Angeles for  
Chicago yesterday with his manager Tom  
Jones. He will fight Kid Taylor, the  
western fighter, for ten rounds at St. Je-  
seph, Mo., next month, and will then re-  
turn to Los Angeles.

Jack Chesbro, one time premier pitcher  
of the country, will probably retire from  
baseball unless he is claimed by one of  
the major league clubs within a few days.  
Waivers on the once formidable twirler  
have been asked by the New York Ameri-  
can league club and as Chesbro is well to  
do and has a prosperous business in Con-  
way, Mass., he will probably quit the di-  
amond.

The new Ward single shell in which  
John O'Neill is to row for the American  
championship at St. Louis, is expected at  
Halifax Monday by the Red Cross line.

John H. Gillis, who won the all-around  
athletic championship of Canada at Win-  
nipeg, on Saturday last, is a native of  
North Jersey.

Jim Barry, the Chicago heavyweight,  
who did not make much money by fight-  
ing in France, and who recently arrived  
in this country after his defeat by Sam  
McVey, has been matched to meet Jack  
Burns, the promising heavyweight of Cal-  
ifornia, for ten rounds at the Pacific A. C.  
of Los Angeles, Cal., on the night of  
Aug. 10. If Barry stops Burns he will  
probably be matched with Al Kaufman.

Hans Wagner, with all his terrific  
thumping, has yet to come within 10  
points of Lajoie's batting average of .422  
made the second season he played major  
league ball.

The Philadelphia "Quakers" and the  
Brooklyn "Dodgers" have each taken the  
measure of those winning "Pirates" from  
Pittsburgh this week.

The Detroit "Tigers" seem to be recov-  
ing a little from their slump. Their bat-  
ters are hitting better, and an even greater  
improvement has taken place in their  
twirlers. As a result the champions are  
on a winning streak again.

The injury to Christy Mathewson's fin-  
ger is a serious handicap for the Giants to  
overcome, for "Matty" has been Mc-  
Graw's most consistent winner this sum-  
mer, and when it comes to meeting teams  
like the "Cubs," "Pirates" and "Quak-  
ers," his absence will be very noticeable,  
for he would be good for one win from  
each at the least.

The two Gillis, the Vancouver police  
athletes, will compete at the Toronto po-  
lice games on July 31 at Scarborough Beach.

Percy Sellen is trying hard to get races.  
He has challenged Frank Nelrick, of Buf-  
alo, for a 10, 12 or 15 mile race.

President Harry Dreyfus of the Pitts-

BALL GAMES  
THIS WEEK  
St. John's and Clippers and St.  
Peter's and Marathons to  
Play on E. D. C. Grounds.

Manager Tilley of the St. John's team  
that played the Fredericton Tartars at  
Fredericton, has issued a challenge to  
play any team in St. John's. It follows—  
"On account of the sharp criticism of  
the line-up of the St. John's who went to  
Fredericton and played ball with the Tar-  
tars, a challenge is hereby given to any  
team in this city for a game on Wednesday  
afternoon next on the Every Day Club  
grounds.

(Signed) C. F. TILLEY, Manager."

The challenge has been accepted by Man-  
ager McGraw of the Clippers, and the  
first game will be played on Wednesday  
on the Every Day Club grounds.

It is believed that the first game of the  
series between St. Peter's and Marathons  
will be played on Saturday afternoon on  
the Every Day Club grounds.

The series will consist of five games and de-  
tails as to the umpire and line-up are yet  
to be decided.

SUSSEX RACES  
START THURSDAY

The horse races at the Sussex Trotting  
Park on Thursday and Friday of this  
week, July 29 and 30, are expected to be  
among the best ever held on this fast  
half-mile track. The entry list is a  
magnificent one and includes the best horses  
on the maritime circuit.

For the four events \$1,200 in prizes is  
guaranteed, and a big hundred entries have  
been received.

On Thursday the programme will be the  
2:25 trot and 2:25 pace, and on  
Friday the 2:15 trot and pace, which, with  
its fine entry list, should be the race of  
the year, and a three mile race for five  
yearlings, which will be the attraction.  
The track is fast and it is anticipated  
that in the 2:15 race one of the best  
records will be made.

The intercolonial is being reduced  
from all trains between St. John and  
Moncton, tickets good until Saturday,  
July 31.

SMALLWOOD BREAKS  
FIVE MILE RECORD

Moncton, P.E.I., July 24.—Percy Small-  
wood, of Wales, who recently established  
a new world's record for ten miles, going  
the distance in 50:22, gave a remarkable  
exhibition of running here today. He  
raced against three men for five miles,  
each of his opponents running one and  
two-thirds miles. Smallwood finished half  
a mile in the lead, his time being 24 min-  
utes, 46 seconds—seven and two-fifths sec-  
onds faster than the world's professional  
five-mile record. The race was the  
surprise of the citizens of Moncton.

FLANAGAN BREAKS RECORD  
New Haven, Conn., July 24.—John  
Flanagan, of the Irish-American A. C.,  
of New York, broke the world's record at  
throwing the 16-pound hammer here to-  
day at the annual field day of the Club  
Na-Gael, hurling it a distance of 184 feet  
4 inches. In competition with Matt. P.  
McGrath, of the New York A. C., and  
Con. Walsh, the Irish and Canadian cham-  
pion, Flanagan not only broke his own  
record of 170 feet 1 inch, made at Travers  
three months ago, but established a  
world's record as well. McGrath was sec-  
ond with 171 feet 9 inches, while Walsh's  
best distance was 164 feet 10 inches. Mc-  
Grath made one throw of 181 feet 9  
inches, which was not allowed on account  
of a foul.

tional League club released Catcher Curtis  
to the Albany club tonight, with the priv-  
ilege of recalling him in August. Curtis  
has been on New York's reserve list for  
three seasons, but in that time he has caught  
only one game for the team. He is a  
college player, having graduated from  
Notre Dame.

THE CUBAN MARKET AND  
NEW BRUNSWICK SHIPPERSTrade Commissioner Kirkpatrick Gives Valuable Suggestions  
and Exposes Fallacies of the Stand and Put Forward — The  
Need of a Subsidy.

Plaza Hotel, Havana, Cuba,  
July 16, 1909.  
To the Editor of The Telegraph:  
Sir,—In the St. John Standard of July  
9 is a somewhat lengthy article purporting  
to be inspired from an interview between  
P. E. Williams and the local government  
re Cuban markets. I have read this ar-  
ticle with some interest and with your kind  
permission I wish to make a few comments  
on the same.

The part of the article dealing with un-  
founded personalities in reference to my-  
self as representing the federal government  
may be briefly disposed of. I had the  
good, or bad, fortune to meet Mr. Wil-  
liams on a number of occasions while he  
was in Cuba—which by the way was for  
six days, from June 18 to June 22, and  
for a month as the Standard states—and  
I endeavored to show him I was work-  
ing faithfully and to the best of my abil-  
ity for the interests of the people of Can-  
ada, regardless of politics or any other in-  
fluence. I told him that anything I could  
do to further his interests here it would  
be a pleasure to me to do, and we parted  
as I supposed, on the best of terms.

Now, if Mr. Williams thinks for a mo-  
ment that it is going to advance the in-  
terests of the people of New Brunswick  
by casting slurs on the federal government,  
and this endeavor of his is so transparent  
that it is surprising that even the local gov-  
ernment cannot see through it.

Mr. Editor, I want to sound a warn-  
ing to the people of New Brunswick in  
whom I feel as deep an interest as any  
that can come from Mr. Williams, not to  
be deceived through any rosy pictures such  
as those contained in that article in the  
Standard. I would give you a deal if I  
could, but I must not do that. I want to  
tell you that all that is necessary is to flood  
the market and derive big profits from doing  
so.

Cuba is a country of approximately the  
size of New Brunswick, and has a popula-  
tion slightly in excess of 2,000,000. It is  
the most productive country for its size to  
be found anywhere, and all its products  
will grow at any time in the year.  
The market for its products is enormous,  
and it is estimated that the market here  
for upwards of six months annually  
command a good price.

The whole system, however, of about 150,000  
barrels a year, and would grow a good  
many more but for the fact that other  
crops yield better returns and the market  
does not grow to the extent that potatoes  
from the north do. As near as I can learn  
from careful study the country is obliged  
to import about 400,000 barrels of potatoes  
annually, and of this amount 250,000 come  
from the United States and the remainder  
from Canada and other countries. As the  
new potatoes mature, beginning in the  
southern states and gradually working  
north they are shipped here, and by the  
time the maritime provinces potatoes are  
on the market other places farther south  
have marketed their crops and the field is  
left open for Canadian potatoes.

The people of New Brunswick must bear  
the fact in mind that this is not a new  
market, but one that has been open for  
years. The experience of the last few years  
has shown that the market is not a new  
one, but one that has been open for years.
