

BIBLE CHRISTIAN MISSIONARY SOCIETY.

The Sermons in connection with the Eighteenth Anniversary were preached on Sunday, June 8th, 1873, in the Bible Christian Church, Lindsay, by the Brethren J. J. Rice, J. Kenner and G. Webber.

The Annual Meeting was held on the Monday following, presided over by S. C. Wood, Esq, M. P. P., and the Report presented by the Secretary.

Moved by Bro. A. Clarke, and seconded by Bro. G. Webber:

That the Report, extracts from which have been read, be adopted, printed and circulated, under the direction of the Missionary Committee, and that the cordial thanks of this Meeting be tendered to those friends whose liberality has placed the receipts in advance of any previous year, and to the Collectors, for their valuable service so freely rendered.

Moved by Bro. P. Robins, and seconded by Bro. C. Barker:

That we unite to thank Almighty God for the material and spiritual prosperity vouchsafed to us generally, during the past year; and especially for the encouragement afforded us in prosecuting our work in connection with the recently opened Lindsay, Belleville, St. Thomas, and City Missions; and feeling no less, our dependence on Him for success in the future than in the past, we covenant to pray that both the ministers and members of our Church may be favored with a rich baptism of the Holy Spirit, that by inflamed zeal, sanctified intelligence, Christ-like benevolence, felt personal responsibility, reigning sympathy with God, and united and prayerful effort, we may enter the doors of usefulness opening before us, and perform the great work which the Master hath assigned to us to do.
