LACROSSE.
Both Teams Suspended.
Montreal, Aug. 24.—As a result of a lacrosse match played in Ottawa on last Saturday by the Montreal Amateur A. A. and Ottawa, the members of both teams have been suspended by the registration committee of the Quebec branch of the Canadian A. A. Union because of the playing of Nat Penny on the Montreal team. EXHIBITION WEEK HORSE RACES GET IMPETUS
The directors of the St. John Exhibition have decided to guarantee one of the purses for the races to be held at Moosepath during exhibition week by the Maritime Racing Association, which has named September 6, 7 and 8 as the racing dates during the fair.

This action is taken to show that the directors have placed the stamp of approval on the efforts of the Maritime Racing Association to revive harness racing in St. John and it is believed the races will attract many people to the city during exhibition week. The Commercial Club have also been asked to guarantee a purse as part of their campaign to revive interest in sport of all kinds in St. John and it has been suggested that a purse of \$1,000 for a free for all here during exhibition week would insure a race that would bring large crowds to St. John.

Entries for the St. John exhibition races will close today with J. D. Black, secretary of the Maritime Racing Association, whose headquarters are at the Royal Hotel. There will be at least \$8,500 in purses and the classes arranged are:—Free for all pace, free for all trot, 214 trot and pace, 216 trot and pace, 218 trot and pace, 220 trot, 221 trot and pace, 224 trot and 227 pace. It is expected that most of the horses now at Moosepath Park for the races which will open tomorrow, will remain there for the second meeting, and entries from some additional stables have already been received.

Auto Racer Hurt.
Elgin, Ill., Aug. 25.—Joe Thomas, auto racer, driving in practice here yesterday, turned over three times on "hair-pin turn" and suffered severe injuries. He was rushed to a local hospital.
