Note of Thanks

Beside the Models A, M and B line of "IMPERIAL" MOTOR ENGINES, which are becoming so deservedly pepular in this country, the company manufactures a HEAVY DUTY LINE, Model C. These are made to meet the demand for a slow speed engine for tow boats, schooners and large fishing beats.

They are of the well known two cycle three port type, and are the latest word in two cycle engine.

To thank the many kind friends number of years she was class, who assisted them in their recent bereavement, sepecially Mrs. Atraham French, who came at all calls. In her early married days she was often known to walk to the old Mrs. Wm. French, Mrs. Edward Herlihy, Mrs. Capt.
