Whitney Pleads Guilty to Two Charges of Passing Valueless Cheques.

In connection with the case of Strong Island Team to Play the (From Monday's Daily.) eighteen months' imprisonment with hard labor for passing worthless cheques, the city prosecutor in the police court this morning said there had been a great number of cases of a similar nature within a few months before the court, and there had also been many that had not come before the magistrate owing to the fact that the offenders had got out of town immediately after having committed th offences. He asked that a light sentence should not be imposed, as there were two charges against accused, who had been employed as a laborer in the country, where he had left his work and come to town and deliberate-ly written the cheques and cashed them, according to his own confes-

The first charge was that Whitney had obtatined \$20 on a cheque purporting to be signed by Huntley patrick from V. Bargeto on April 24th, and the second with obtaining \$26 from R. Murrayon the same date. He elected to be tried by the magistrate and pleaded guilty.

ST. YVES NO MATCH FOR SHRUBB AT 15 MILES

English Runner Finishes Strong With Nearly Two Laps to Spare.

New York, April 24.-Alfred Shrubbb was the result of the race in doubt. that the Frenchman could not follow. All games in which Victoria United When eight miles had been covered, he has taken part this season were dehad secured a lead of two laps, and clared void and the standing of the During the last two miles of the place. race St. Yves made frantic efforts to catch him, but of no avail. Shrubb's Ladysmith now gets two trys ugainst time for the race, 1 hour, 26 minutes Nanaimo for the Island championsnip and 12 seconds, was over four minutes instead of one, although J. Adams debehind the professional record and nearly six minutes behind the amateur nearly six minutes behind the amateur needed, that set for May 2nd. Ladymark. The night was cold and windy,

Shrubb started with his usual grace—which places it two points ahead of ful stride, while St. Yves went off Nanaimo instead of one as Nauaimo with the short patter which served him also loses points against Victoria Unitwith the short patter which served him so loses points against victoria Unitso well in the Marathon derby. In the first lap Shrubb opened up a lead of about 20 yards, and increased it gradually as the race progressed. In the fourth lap St. Yves appeared to get a bit nervous, and put on more speed, bit nervous, and put on more speed. In the bit is the points had been allowed to stand the next game would have decided the champions by one point to the winning pulling hair, biting and kicking, were terminated police were summoned to preserve order and ambulances called to remove the injured during a baryon with the up-island teams will be level, and a play off necessary, while if the points had been allowed to stand the next game would have decided the champion with the points had been allowed to stand the next game would have decided the champion with the points had been allowed to stand the next game would have decided the champion with the points had been allowed to stand the next game would have decided the champion with the points had been allowed to stand the next game would have decided the champion with the points had been allowed to stand the next game would have decided the champion with the points had been allowed to stand the next game would have decided the champion with the points had been allowed to stand the next game would have decided the champion with the points had been allowed to stand the next game would have decided the champion with the points had been allowed to stand the next game would have decided the champion with the points had been allowed to stand the next game with the points had been allowed t

self and his rival. The second mile tion. On the vote the Esquimalt was finished in 10.14, and found him delegates sided with the Ladysmith finished the third mile in 15.32, the a time the men ran shoulder to shoulder, but the Britisher was not to be denied, and, putting up more steam, Nanaimo will be defeated by Lady-Yves. The Englishman still going smith. strong as ever, finished the sixth mile

ished Shrubb's lead, but the finish of primed for using the situation to the the seventh mile found Shrubb nearly advantage and argued persistently until two full laps in the lead. The seven the amendment was defeated and the second lap of the eighth mile Shrubb ent condition, it was said, could not beat Victoria United if that club had once more got up to the Frenchman once more got up to the Frenchman and ran at his heels. Shrubb finished his heels. Shrubb finished naimo did not like the fact that Ladythe eighth mile in 43:19, the nine 55:39. Shrubb content to hold his established lead of two laps, ran beside they had played Victoria United a draw the Frenchman during the next three thirteen miles

The pace had slackened considerably, and the time for the distance was slow. St. Yves sprinted again brief time he drew away, but Shrubb let out a link and soon caught him. tative of the Victoria United team pres-Shrubb finished the fourteen miles in ent.

In the last mile the Frenchman rethe last lap, Shrubb showed that he that a lack of public support to and three-quarter laps. St. Yves' time for the fifteen miles was 1.27:58.

The second mile that the matter be post-out to give an account of the club's acself and his rival.

nearly a half lan in the lead. Shrubb delegates and the motion was carried. finished the third mile in 15.32, the fourth in 20.56 and the five miles in on May 2nd the teams will have to 26.23. He gained a full lap near the play a deciding game. No date was arranged for this possible game Saturday

Victoria United's withdrawal from in 31.56. He was then a lap and a half the league and the forfeiting of four points to Nanaimo thereby was the subject of a long discussion, in which St. Yves, early in the seventh mile, subject of a long discussion, in which started a sprint, and slightly diminmiles were negotiated in 37:29. In the motion carried. Nanaimo, in its presles in 49:23 and the tenth mile in gain an advantage of a point where

draw. The action of Victoria United in remiles. Shrubb's time was 1.14:15 for fusing to play out the schedule was mned in round terms and unmis takable language by the delegates from the Esquimalt team, the president of the league, and the up-island delegates. during the fourteenth mile, and for a There were no half measures or polite phrases used. There was no represen

Delegate Alex. Locksley, of Esqui malt, and President Duncan, however, duced Shrubb's lead to one and a half while not hesitating to condemn the laps, but when the gun was fired for local team, told the other delegates had plenty in reserve by the going and games was partially responsible for the regaining half of his loss. He finished withdrawal. The public in Victoria the race in 1.26:12, with a lead of one had been fighting a losing proposition

from the commencement It was also held that the public would not support an untrained team and that if a team wants to earn the public support it is up to the players noon, leading at the finish by a lap stead of going on the field without touching a ball between matches, Delegate Adams, from Ladysmith, said he was instructed to say that Ladysmith would not enter a league next year in which Victoria United was rep-

The league concluded the business with the fixing of dates for the various hampionships and the selection of the team to play for the Island at Nanaimo against the full strength of the mainland on May 9th. The only Victorians to get consideration were now employed as chauffeurs in Seattle, Young and Gowan of Esquimalt. These and if the Mullen amendment is incortorians to get consideration were United men were mentioned and would them out of a job.

ICE JAM MOVING OUT OF NIAGARA RIVER

Pack Has Been Weakened by Correspondents Not Allowed the Continuous Blasting.

Youngstown, N. Y., April 24.-The giant ice jam, shorn of its power, is osing hundreds of tons in weight and area every hour, under the resistless force of the current of the Niagara without a scratch. Faults and fissures crisscross the lower end of the stream: water is fighting ice for surface space opposite Lewiston, and the upper river encroaching floe.

To the casual glance to-day's work was the most satisfactory and successthat Assistant Superintendent accomplished. Certainly a larger surthe work was done on Thursday when the province. the preliminary charges tapped the dammed-up river, and lowered the gen-dammed-up river, and lowered the gen-dammed by Guide Hill, started eral level from 12 to 16 feet. The icc buck shooting. Colonel Roosevelt will pack is weakening under the continuous shocks from the explosions. The relief work thus far has cost about \$3,000. The six tons of dynamite alone, five exploded and one in store in the

magazine of the fort, have cost \$2,160. Mr. Kunze left for his home at that in all probability Mr. Tuttle and Esquimalt, Mitchell, Mayne and Morri- his men would continue the work of blasting to-morrow. At all events, dynamite will again be dropped into the heart of the ice pack early on Monday morning, under Mr. Kunze's football league next year, it will be all danger is past, but that he intended to clear the river of ice

Youngstown, N. Y., April 24.-The body of a woman, supposed to be that over the Falls two days ago, was seen by a visitor from Rochester this afternoon floating down the Niagara river between the whirlpool and the Lewisvas the result of the race in doubt.

Shrubb at the outset assumed a pace team in the league.

The victoria United was admitted ton bridge. The corpse, which was badly mutilated by the ice, was lost sight of in the rush of the water and

PROTECTION FROM FROST.

Washington Fruit Growers Adopt Novel Methods to Save Trees. North Yakima, Wash., April 23.-To protect their orchards from frost, the ranchers in the vicinity of Granger have adopted some innovations which have ex-cited much interest throughout the valley. Electric frost alarm devices have been installed whereby a bell is set to ringing in the rancher's bedroom when the temperature in the orchard thermo-meters has reached the danger point. When the alarm is sounded, the ranches lights numerous fire pots filled with petroleum, and the atmosphere is thu Many orchards have been

unloaded at Granger and three carloads of crude petroleum. Since last Saturday hundreds of fire pots have been kept burning in the orchards every night and the air is heavy with the smoke of the petroleum. Many orchards hav ebeer saved from damage, it is said, through
