

## SICK HEADACHE

Is a disease of which everybody has one of his own, and no two are alike. It is generally caused by a foul stomach, and a few days' treatment with *Baxter's Mandrake Bitters* will regulate the action of the stomach and remove the cause, and two or three doses a week will keep the stomach in order and prevent its return.

## JAUNDICE

Is quite a common disease, but not half so "popular" as some others. You will seldom get a person to admit he has Jaundice, even when the evidences are plain to the uninitiated.

The principal cause which produces Jaundice is the re-absorption into the blood of the bile thrown off from the liver, and if not attended to at once, will result in the most disastrous consequences, often terminating fatally.

*Baxter's Mandrake Bitters* are especially adapted to cases of this kind. Jaundice develops itself gradually, and, therefore, is not so quickly cured as diseases that show themselves at their commencement. Jaundice may have been lurking in the system a long time before discovered, but a persistent use of the *Bitters* will surely effect a cure, and when a cure is accomplished it is permanent.

CAIRO, Nov. 2, 1881.

Charles Hoffman of this place says: "I have used for a year or more *Baxter's Mandrake Bitters* and find they have been very beneficial to me, in fact they have cured me of Dyspepsia in its worst form." Isaac Hoffman and Frank Reznie have also been cured of sick headache and Dyspepsia by their use. Westel Salisbury says they have been used by himself and family to great advantage; have cured his daughter of Sick Headache. The *Bitters* seem to be just the medicine for the diseases for which they are recommended.

E. C. STEVENS.

GREAT VALLEY, N. Y., Nov. 1, 1881.

Having sold your medicines for the past two and a half years can cheerfully recommend all of them, especially *Baxter's Mandrake Bitters*, as I have sold several gross of them, and in every instance where I have recommended any one to try a bottle they have come back after more. I have used all your medicines in my own family and find them all excellent family remedies.

Yours truly,

J. E. CHASE, Druggist.

There is one lawyer for every 700 people in the United States.

Consumption can be cured. Down's Elixir has cured it times without number.
