The police committee handed in a pumber Ald. Watt stated that he was in sympathy but he failed to see how this resolution, adheld the key of the situation and unless the government would dismiss them he felt that more would be attained by working on the L. J. Tweedle 6.00 through the government. He felt thoroughthat a number of bills had been presented and that they have been badly treated, but

> pilots, and he asked the question why it was done and what they were to gain from it?

Ald. Snowball said the reason why the commissioners had not distributed the funds was because their lawvers had advised them that it could not be done without their leaving themselves open to legal action. They claimed that there were only five legally appointed pilots, which they understood was disputed by the counsel for the stood was disputed by the counsel for the old vilots. The commissioners are advised Board of School Trustees on account of their | that these five pilots, by law, are not only term having expired, Miss Tweedie and Mr. entitled to what they actually earned but William Lawlor were re-elected trustees.

Ald. Loggie informed council that there was only \$200 due on defaulter's list for the old pilots. If they gave the old pilots all they earned the new ones being dissatis-The mayor disapproved of paying out so viate if possible and also to have some armuch money for printing in connection with the Board of Health. He thought the Board the old pilots the larger portion of what they have actimates annually.

most fairly by them and endeavored by Alderman Hocken said he thought this was too late a date for the council to take action in the matter, and that the resolution missioners. He felt that if the pilots had applied at first to the Board of Trade, inthem one cent. He also knew that the course taken by certain newspapers had done more towards putting the case in its
